Background and Explanation of Provisions

Temporary regulations in the Rules and Regulations section of this issue of the Federal Register amend the Income Tax Regulations (26 CFR part 1) relating to section 367(b) of the Code and certain triangular reorganizations. The text of those regulations also serves as the text of these proposed regulations. The preamble to the temporary regulations explains the temporary regulations and the proposed regulations.

Special Analyses

It has been determined that this notice of proposed rulemaking is not a significant regulatory action as defined in Executive Order 12866. Therefore, a regulatory assessment is not required.

It is hereby certified that these regulations will not have a significant economic impact on a substantial number of small entities. Accordingly, a regulatory flexibility analysis is not required. This certification is based on the fact that the regulations will primarily affect large multi-national corporations that engage in triangular reorganizations subject to the regulations. The regulations apply to triangular reorganizations, involving one or more foreign corporations, to the extent that, in connection with the reorganization, the acquiring corporation purchases, in exchange for property, all or a portion of the stock used to acquire the stock or assets of the target corporation. Therefore, the IRS and Treasury Department expect only a de minimis number of small business entities to be subject to the regulations. Pursuant to section 7805(f) of the Code, this regulation has been submitted to the Chief Counsel for Advocacy of the Small Business Administration for comment on its impact on small business.

Comments and Requests for a Public Hearing

Before these proposed regulations are adopted as final regulations, consideration will be given to any written comments (a signed original and eight (8) copies) or electronic comments that are submitted timely to the IRS. The IRS and Treasury Department request comments on the clarity of the proposed rules and how they can be made easier to understand. All comments will be available for public inspection and copying. A public hearing will be scheduled if requested in writing by any person that timely submits written comments. If a public hearing is scheduled, notice of the date, time, and place for the public hearing will be published in the Federal Register.

Drafting Information

The principal author of these proposed regulations is Daniel McCall of the Office of Associate Chief Counsel (International). However, other personnel from the IRS and the Treasury Department participated in their development.

SUPPLEMENTARY INFORMATION:

Background

President George W. Bush signed the Gulf of Mexico Energy Security Act of 2006 (GOMESA) into law on December 20, 2006 (Pub. L. No. 109–432, 120 Stat. 2922), as part of H.R. 6111, The Tax Relief and Health Care Act of 2006, which also extended several energy tax programs that encourage efficiency and conservation, as well as the production and use of renewable energy sources. With regard to the Gulf of Mexico (GOM) Outer Continental Shelf (OCS) provisions (Division C, Title 1, 120 Stat. 3000), GOMESA:

- Lifted the congressional moratorium on oil and gas leasing and development in a portion of the Central GOM and mandates lease sales in two areas of the GOM (the 181 Area and 181 South Area as defined by GOMESA) notwithstanding the omission of those two areas from any OCS leasing program under section 18 of the OCS Lands Act (43 U.S.C. 1344);
- Established a moratorium through June 30, 2022 in the vast majority of the Eastern Planning Area and a small portion of the Central Planning Area;
- Provided for the establishment of a process to exchange existing leases in the new moratorium areas for bonus or royalty credits that may only be used in the GOM; and
- Provided for the distribution of certain OCS revenues to the Gulf producing States of Alabama, Louisiana, Mississippi, and Texas, and to certain coastal political subdivisions within those States.

This proposed rule sets forth how the Department of the Interior plans to implement the GOMESA requirements related to the distribution of OCS revenues to the Gulf producing States and their coastal political subdivisions.

Summary

For each of the fiscal years from 2007 through 2016, GOMESA directs the Secretary of the Treasury to deposit 50 percent of qualified OCS revenues—bonuses, rents, and royalties—from OCS oil and gas leases in areas designated as the 181 Area in the Eastern Planning Area and the 181 South Area into a special account in the United States Treasury. The GOMESA directs the Secretary of the Interior, for each of these fiscal years, to disburse 25 percent of the revenues in the special account to the Land and Water Conservation Fund (LWCF) and the remaining 75 percent to the States of Alabama, Louisiana, Mississippi, and Texas (collectively identified as the “Gulf producing States”) and their eligible coastal political subdivisions. The revenues are to be allocated among the Gulf producing States based on their inverse proportional distance from the leases in the 181 Area in the Eastern Planning Area and the 181 South Area and in accordance with regulations established by the Secretary of the Interior. The GOMESA also provides that in determining the individual Gulf producing States’ share of the qualified OCS revenues, no State, irrespective of the amount established by the application of the inverse proportional distance formula, shall receive less than 10 percent of the revenues to be disbursed.

The GOMESA directs the Secretary of the Interior to disburse 20 percent of the funds allocated to each Gulf producing State to political subdivisions within the State which are located in the State’s coastal zone and are within 200 nautical miles of the geographic center of any OCS leased tract. Revenues are allocated to the coastal political subdivisions based on their population, miles of coastline, and their inverse proportional distance from designated leases in the 181 Area in the Eastern Planning Area.

REVENUE DISTRIBUTION OF QUALIFIED OCS REVENUES UNDER GOMESA 2007–2016

Recipient of qualified OCS revenues	Percentage of qualified OCS revenues
U.S. Treasury	50.0
Land and Water Conservation Fund	12.5
