

(July 11, 2008). On July 11, 2008, the Department received a timely filed request for review from CP Kelco AB (CP Kelco), on behalf of CP Kelco, CP Kelco U.S. Inc., Huber Engineered Materials, and J.M. Huber Corporation. On July 14, 2008, the Department received a request for review from The Aqualon Company, a division of Hercules Incorporated, the sole domestic producer of purified CMC (petitioner). On August 26, 2008, the Department published in the **Federal Register** the notice of initiation of the 2007–2008 administrative review of purified CMC from Sweden. See *Initiation of Antidumping and Countervailing Duty Administrative Reviews*, 73 FR 50308 (August 26, 2008). Both petitioner and CP Kelco filed their entry of appearance in this administrative review on July 14, 2008, and September 2, 2008, respectively. The Department issued its antidumping duty questionnaire to CP Kelco on September 5, 2008.

#### **Rescission of Antidumping Administrative Review**

On September 8, 2008, we received timely filed submissions from CP Kelco and petitioner withdrawing their requests for an administrative review of CP Kelco's entries of purified CMC to the United States. Both parties filed the withdrawal requests within the deadline established by section 351.213(d)(1) of the Department's regulations. No other parties have requested a review of CP Kelco or any other producer or exporter of the subject merchandise. Therefore, we are rescinding the above-cited administrative review in accordance with 19 CFR 351.213(d)(1).

#### **Assessment**

The Department will instruct U.S. Customs and Border Protection (CBP) to assess antidumping duties on all appropriate entries. For the company for which this review is rescinded, antidumping duties shall be assessed at rates equal to the cash deposit of estimated antidumping duties required at the time of entry, or withdrawal from warehouse, for consumption, in accordance with 19 CFR 351.212(c)(1)(i). The Department intends to issue appropriate assessment instructions directly to CBP not later than 15 days after publication of this notice.

#### **Notification to Importers**

This notice serves as a reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation

of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of doubled antidumping duties.

#### **Notification Regarding Administrative Protective Orders**

This notice also serves as a reminder to parties subject to administrative protective orders (APOs) of their responsibility concerning the return or destruction of proprietary information disclosed under APO in accordance with 19 CFR 351.305, which continues to govern business proprietary information in this segment of the proceeding. Timely written notification of the return/destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and terms of an APO is a violation which is subject to sanction.

This notice is issued and published in accordance with section 777(i) of the Tariff Act of 1930, as amended, and 19 CFR 351.213(d)(4).

Dated: September 22, 2008.

#### **Stainless Steel Plate in Coils from Belgium: Extension of Time Limit for the Final Results of the Eighth Countervailing Duty Administrative Review**

**AGENCY:** Import Administration, International Trade Administration, Department of Commerce.

**EFFECTIVE DATE:** September 29, 2008.

**FOR FURTHER INFORMATION CONTACT:** David Neubacher at (202) 482–5823 or Alicia Winston at (202) 482–1785; AD/CVD Operations, Office 1, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW, Washington, DC 20230.

**SUPPLEMENTARY INFORMATION:**

#### **Background**

On June 6, 2008, the Department published the preliminary results of the administrative review of the countervailing duty order on stainless

steel plate in coils from Belgium, covering the period January 1, 2006, through December 31, 2006. See *Stainless Steel Plate in Coils From Belgium: Preliminary Results of Countervailing Duty Administrative Review*, 73 FR 32303 (June 6, 2008). In the preliminary results we stated that we would issue our final results for the countervailing duty administrative review no later than 120 days after the date of publication of the preliminary results (*i.e.*, October 4, 2008).

#### **Statutory Time Limits**

Section 751(a)(3)(A) of the Tariff Act of 1930, as amended (“the Act”), requires the Department of Commerce (“the Department”) to issue the final results of an administrative review within 120 days of the publication of the preliminary results. If it is not practicable to complete the review within the time period, section 751(a)(3)(A) of the Act allows the Department to extend this deadline to a maximum of 180 days.

#### **Extension of Time Limits for Preliminary Results**

The Department has determined that completion of the final results of this review within the original time period is not practicable because we received post-preliminary responses on September 8, 2008. In addition, we need to complete a post-preliminary analysis on the sales denominator and certain figures in Ugine and ALZ Belgium's financial statement and to allow adequate time for interested parties to file case and rebuttal briefs. Consequently, it is not practicable to complete this review within the originally anticipated time limit (*i.e.*, by October 4, 2008). Therefore, the Department is extending the time limit for completion of the final results to not later than December 3, 2008, which is 180 days from the date of publication of the preliminary results, in accordance with section 751(a)(3)(A) of the Act.

We are issuing and publishing this notice in accordance with sections 751(a) and 777(i)(1) of the Act.

Dated: September 18, 2008.
