Veterans' Employment and Training Service

41 CFR Part 61-250

RIN 1293-AA16

Annual Report From Federal Contractors

AGENCY: Veterans' Employment and Training Service (VETS), Labor.

ACTION: Final Rule.

SUMMARY: This final rule revises the regulations in 41 CFR Part 61-250 implementing the requirement under the Vietnam Era Veterans' Readjustment Assistance Act of 1974, as amended, ("VEVRAA") that Government contractors track and annually report the number of employees in their workforces who are veterans covered under the law. Today's final rule revises the regulations in 41 CFR Part 61-250 to incorporate the amendment to VEVRAA made by the Veterans' Benefit and Health Care Improvement Act of 2000 ("VBHCIA"). The VBHCIA amendment extended the protections of VEVRAA to a category of veterans called "recently separated veterans." In addition, the final rule published today clarifies that the regulations in 41 CFR Part 61-250 implement the reporting requirements under VEVRAA prior to their amendment in 2002 by the Jobs for Veterans Act ("JVA"), and apply to Government contracts entered into before December 1, 2003. The final rule also makes clear that the regulations in 41 CFR Part 61-300 implementing the JVA amendments to VEVRAA's reporting requirements, apply if a contract entered into before December 1, 2003, is modified on or after that date and the contract as modified is for \$100,000 or more.

DATES: These regulations are effective December 5, 2008.

SUPPLEMENTARY INFORMATION:

Background

The Vietnam Era Veterans' Readjustment Assistance Act of 1974, as amended, ("VEVRAA"), 38 U.S.C. 4212(d), requires that Federal contractors report annually to the Secretary of Labor the number of employees and new hires that belong to the categories of veterans protected under the statute. The Veterans' Employment and Training Service (VETS) has promulgated two sets of regulations to implement the reporting requirements under VEVRAA. The regulations in 41 CFR Part 61-250 implement the reporting requirements under VEVRAA prior to the amendments made by the JVA in 2002, and apply to Government contracts of \$25,000 or more that were entered into before December 1, 2003. The regulations in part 61-250 require contractors to use the VETS-100 Report form to provide information on the number of covered veterans in their workforces.

The recently published regulations in 41 CFR Part 61-300 implement the JVA amendments to the reporting requirements under VEVRAA (73 FR 28710, May 19, 2008), and apply to contracts entered into or modified on or after December 1, 2003. The JVA amendments increased from \$25,000 to \$100,000, the dollar amount of the contract that subjects a Government contractor to the requirement to report the number of employees in their workforces who are covered veterans. In addition, the JVA amendments changed the categories of covered veterans under VEVRAA and thus the categories of veterans that contractors are required to track and report on annually. The regulations in part 61-300 require contractors to use the VETS-100A Report form to provide the required information on their employment of covered veterans.

Today's final rule revises the part 61-250 regulations to incorporate the amendment to VEVRAA that was made by the Veterans' Benefit and Health Care Improvement Act of 2000 (VBHCIA). Prior to amendment by the VBHCIA, VEVRAA required contractors with a contract of \$25,000 or more to report at least annually to the Secretary the number of employees, by job category and hiring location, who are "special disabled veterans, veterans of the Vietnam era, and other protected

veterans who served on active duty during a war or in a campaign or expedition for which a campaign badge has been authorized." The VBHCIA extended the protections of VEVRAA to a new category of veterans called "recently separated veterans." Under the VBHCIA, "recently separated veteran" is defined as "any veteran during the one-year period beginning on the date of such veteran's discharge or release from active duty." (The JVA amendments expanded coverage of recently separated veterans from one to three years after discharge or release from active duty to three years.) In addition, the final rule clarifies that the regulations in 41 CFR Part 61–250 apply to any contract or subcontract of at least \$25,000 entered into before December 1, 2003, and that the regulations in 41 CFR Part 61–300, not the part 61–250 regulations, apply to such a contract if it is modified on or after December 1, 2003 and the contract as modified is for \$100,000 or more. This clarification will assist contractors in determining whether the reporting requirements in 41 CFR Part 61–250 and/or the reporting requirements in 41 CFR Part 61–300 apply to their contracts.

The changes made by the final rule are discussed in the Section-by-Section Analysis. The sections of the 41 CFR Part 61–250 regulations that have not been changed are not discussed in the preamble.

Section-by-Section Analysis of Comments and Revisions

Section 61–250.1 What are the purpose and scope of this part?

This section outlines the purpose and scope of the regulations. The final rule adds the date to the statutory citation in paragraph (a) to indicate that the regulations in 41 CFR Part 61–250 implement the reporting requirements in 38 U.S.C. 4212(d) prior to their amendment in 2002 by the JVA. In addition, the final rule adds language to paragraph (a) to clarify that the reporting requirements in § 61–250.10 apply to any contract of \$25,000 or more entered into before December 1, 2003, and that the reporting requirements in § 61–300.10 apply to such a contract if it is modified on or after December 1, 2003, and the contract as modified is for \$100,000 or more.

Further, the final rule adds language to paragraphs (b) and (d) stating that the regulations in 41 CFR Part 60–250 administered by the Office of Federal Contract Compliance Programs apply to a contract of at least \$25,000 entered into before December 1, 2003 (and not

modified as described in paragraph (a) of this section).

Section 61–250.2 What definitions apply to this part?

The final rule amends § 61.250.2(b) by adding a new paragraph (7) setting forth the definition of "recently separated veteran" specified in the VBHCIA and by renumbering the remaining paragraphs in this section.

Section 61–250.10 What reporting requirements apply to Federal contractors and subcontractors, and what specific wording must the reporting requirements contract clause contain?

The final rule amends § 61–250.10 by adding "recently separated veterans" to the clause heading and to paragraphs (a)(1) and (2) of the clause.

Section 61–250.11 On what form must the data required by this part be submitted?

This section states that the data on veterans employment specified in the reporting requirements clause set forth in § 61–250.10 must be reported on the VETS–100 Report.

The final rule replaces "mailed" with "provided" in paragraph (a) to allow VETS the flexibility to distribute the form electronically. This change also would allow VETS to use the same distribution methods under both sets of regulations. In addition, the final rule revises the instructions for preparing the VETS–100 Report set forth in § 61–250.11 to conform to the instructions found on the VETS–100 Report form that is currently approved for use under OMB Control No. 1293–0005.

Regulatory Procedures

Publication in Final

VETS has determined that this rulemaking need not be published as a proposed rule, as generally required by the Administrative Procedure Act, 5 U.S.C. 553 ("APA"). The final rule amends the regulations in 41 CFR Part 61–250 to include "recently separated veterans" as one of the categories of covered veterans. In this regard, the final rule merely incorporates the VBHCIA changes to the categories of veterans covered under VEVRAA.

In addition, the final rule amends 41 CFR 61–250.1(a) to clarify the scope and applicability of the reporting requirements of the regulations in 41 CFR Part 61–250 and the regulations in 41 CFR Part 61–300. The JVA amendments were made applicable only to Government contracts entered into or modified on or after December 1, 2003. The definitions relevant to contract

coverage under 41 CFR Part 61–250 are those contained in 41 CFR 60–250.2. The term "Government contract" is defined in existing 41 CFR 60–250.2(i) as "any agreement or modification thereof between any contracting agency and any person for the purchase, sale or use of personal property or non-personal services (including construction)." Because a contract modification is a "Government contract" the JVA amendments apply to modifications of otherwise covered contracts made on or after December 1, 2003. Consequently, the regulation at 41 CFR 61–250.1(a) provides that the contractor must comply with the reporting requirements in 41 CFR 61–300.10, and not 41 CFR 61–250.10, if its contract of \$25,000 or more entered into before December 1, 2003, is modified on or after that date and the contract as modified is for \$100,000 or more. In essence, the amendment to 41 CFR 61–250.1(a) incorporates the effective date of the JVA amendments, which was determined by statute.

All the amendments to the regulations in 41 CFR Part 61–250 made by this final rule track statutory amendments. The Department of Labor may not, in response to public comment, change or decline to implement the coverage provisions of the VBHCIA amendment or the effective dates of the JVA amendments. Consequently, there is good cause for finding that applying the notice-and-comment procedure to the amendments to 41 CFR Part 61–250 is unnecessary and contrary to the public interest, pursuant to Section 553(b)(B) of the APA.

Executive Order 12866

This final rule has been drafted and reviewed in accordance with Executive Order 12866, section 1(b), Principles of Regulation. VETS has determined that this rule is not "a significant regulatory action" under Executive Order 12866, section 3(f). Accordingly, it does not require an assessment of potential costs and benefits under section 6(a)(3) of that order.

Executive Order 13132

VETS reviewed the rule in accordance with Executive Order 13132 regarding federalism, and determined that it does not have "federalism implications." The rule will not "have substantial direct effects on the States, on the relationship between the national government and the States, or on the distribution of power and responsibilities among the various levels of government."

Regulatory Flexibility Act

The rule clarifies existing requirements for Federal contractors. In view of this fact and because the rule does not substantively change existing obligations for Federal contractors, we certify that the rule will not have a significant economic impact on a substantial number of small business entities. Therefore, a regulatory flexibility analysis under the Regulatory Flexibility Act is not required.

Small Business Regulatory Enforcement Fairness Act

VETS has concluded that the rule is not a "major" rule under the Small Business Regulatory Enforcement Fairness Act of 1996 (5 U.S.C. 801 *et seq.*). In reaching this conclusion, the OFCCP has determined that the rule will not likely result in (1) an annual effect on the economy of \$100 million or more; (2) a major increase in costs or prices for consumers, individual industries, Federal, State or local government agencies, or geographic regions; or (3) significant adverse effects on competition, employment, investment, productivity, innovation, or on the ability of United States-based enterprises to compete with foreign-based enterprises in domestic or export markets.

Unfunded Mandates Reform

Executive Order 12875—This rule does not create an unfunded Federal mandate upon any State, local, or tribal government. Unfunded Mandates Reform Act of 1995—This rule does not include any Federal mandate that may result in increased expenditures by State, local, and tribal governments, in the aggregate, of \$100 million or more, or increased expenditures by the private sector of \$100 million or more.

Congressional Review Act

This regulation is not a major rule for purposes of the Congressional Review Act.

Paperwork Reduction Act

The information collection requirements contained in the existing VEVRAA regulations are currently approved under OMB Control No. 1293-0005. The currently approved VETS-100 Report form reflects the requirements of the VBHCIA amendments, and thus requests information on the number of current employees and new hires that are recently separated veterans. Accordingly, this final rule does not make any changes to the currently approved information collections, and therefore need not be reviewed by the

Office of Management and Budget under the authority of the Paperwork Reduction Act of 1995, 44 U.S.C. 3501 *et seq.*

Authority: 38 U.S.C. 4211 (2001) and 38 U.S.C. 4212 (2001).

§ 61-250.1 What are the purpose and scope of this part?

(a) This part 61-250 implements 38 U.S.C. 4212(d) (2001). Each contractor or subcontractor with a contract in the amount of \$25,000 or more entered into before December 1, 2003, with any department or agency of the United States for the procurement of personal property and non-personal services (including construction), and who is subject to 38 U.S.C. 4212(a) and the Office of Federal Contract Compliance Programs (OFCCP) regulations at 41 CFR Part 60-250, must submit a report according to the requirements of § 61-250.10, except that the contractor or subcontractor must submit a report according to the requirements of § 61-300.10, not § 61-250.10, if such a contract is modified on or after December 1, 2003, and the contract as modified is in the amount of \$100,000 or more.

(b) Notwithstanding the regulations in this part, the regulations at 41 CFR Part

60-250, administered by OFCCP, continue to apply to the affirmative action obligations of contractors and subcontractors with contracts entered into before December 1, 2003 (and not modified as described in paragraph (a) of this section).

(c) Reporting requirements of this part regarding veterans will be deemed waived in those instances in which the Deputy Assistant Secretary, OFCCP, has granted a waiver under 41 CFR 60-250.4(b)(1), or has concurred in granting a waiver under 41 CFR 60-250.4(b)(2), from compliance with all the terms of the equal opportunity clause for those establishments not involved in government contract work. Where OFCCP grants only a partial waiver, compliance with these reporting requirements regarding veterans will be required.

(d) 41 CFR 60-250.42 and Appendix B to part 60-250 provide guidance concerning the affirmative action obligations of Federal contractors and subcontractors with contracts entered into before December 1, 2003, (and not modified as described in paragraph (a) of this section), with respect to applicants for employment who are protected veterans.

§ 61-250.2 What definitions apply to this part?

(a) For purposes of this part, and unless otherwise indicated in paragraph (b) of this section, the terms set forth in this part have the same meaning as set forth in 41 CFR Part 60-250.

(b) For purposes of this part:

(1) *Hiring location* (this definition is identical to establishment as defined by the instructions for completing Employer Information Report EEO-1, Standard Form 100 (EEO-1 Report)) means an economic unit which produces goods or services, such as a factory, office, store, or mine. In most instances the establishment is at a single physical location and is engaged in one, or predominantly one, type of economic activity. Units at different locations, even though engaged in the same kind of business operation, should be reported as separate establishments. For locations involving construction, transportation, communications, electric, gas, and sanitary services, oil and gas fields, and similar types of physically dispersed industrial activities, however, it is not necessary to list separately each individual site, project, field, line, etc., unless it is treated by the contractor as a separate legal entity with a separate Employer Identification Number (EIN). For these physically dispersed activities, list as establishments only those relatively

permanent main or branch offices, terminals, stations, etc., which are either:

(i) Directly responsible for supervising such dispersed activities, or

(ii) The base from which personnel and equipment operate to carry out these activities. (Where these dispersed activities cross State lines, at least one such establishment should be listed for each State involved.)

(2) *Employee* means any individual on the payroll of an employer who is an employee for purposes of the employer's withholding of Social Security taxes except insurance salespersons who are considered to be employees for such purposes solely because of the provisions of section 3121(d)(3)(B) of the Internal Revenue Code (26 U.S.C.). The term employee does not include persons who are hired on a casual basis for a specified time, or for the duration of a specified job, and who work on remote or scattered sites or locations where it is not practical or feasible for the employer to make a visual survey of the work force within the report period; for example, persons at a construction site whose employment relationship is expected to terminate with the end of the employees' work at the site; persons temporarily employed in any industry other than construction, such as mariners, stevedores, waiters/waitresses, movie extras, agricultural laborers, lumber yard workers, etc., who are obtained through a hiring hall or other referral arrangement, through an employee contractor or agent, or by some individual hiring arrangement; or persons on the payroll of a temporary service agency who are referred by such agency for work to be performed on the premises of another employer under that employer's direction and control.

(3) *Job category* means any of the following: Officials and managers, professionals, technicians, sales workers, office and clerical, craft workers (skilled), operatives (semiskilled), laborers (unskilled), service workers, as required by the Employer Information Report EEO-1, Standard Form 100 (EEO-1 Report), as defined as follows:

Includes: Advertising agents and sales workers, insurance agents and brokers, real estate agents and brokers, stock and bond sales workers, demonstrators, sales workers and sales clerks, grocery clerks and cashier-checkers, and kindred workers.

(v) *Office and clerical* includes all clerical-type work regardless of level of difficulty, where the activities are predominantly non-manual though some manual work not directly involved with altering or transporting the products is included. Includes bookkeepers, cashiers, collectors (bills and accounts), messengers and office helpers, office machine operators, shipping and receiving clerks, stenographers, typists and secretaries, telegraph and telephone operators, legal assistants, and kindred workers.

§ 61–250.10 What reporting requirements apply to Federal contractors and subcontractors, and what specific wording must the reporting requirements contract clause contain?

Each contractor or subcontractor described in § 61–250.1 must submit reports in accordance with the following reporting clause, which must be included in each of its covered government contracts or subcontracts (and modifications, renewals, or extensions thereof if not included in the original contract). Such clause is considered as an addition to the equal opportunity action clause required by 41 CFR 60–250.5. The reporting requirements clause is as follows:

Employment Reports on Special Disabled Veterans, Veterans of the Vietnam Era, the Protected Veterans, and Recently Separated Veterans.

(a) The contractor or subcontractor agrees to report at least annually, as required by the Secretary of Labor, on:

(1) The number of current employees in each job category and at each hiring location who are special disabled veterans, the number who are veterans of the Vietnam era, the number who are other protected veterans, and the number who are recently separated veterans;

(2) The total number of new employees hired during the period covered by the report, and of that total, the number who are special disabled veterans, the number who are veterans of the Vietnam era, the number who are other protected veterans, and the number who are recently separated veterans; and

(3) The maximum number and minimum number of employees of such contractor at each hiring location during the period covered by the report.

(b) The above items must be reported by completing the form entitled "Federal Contractor Veterans' Employment Report VETS–100."

(c) VETS–100 reports must be submitted no later than September 30 of each year beginning September 30, 2001. The eligibility period (the period during which an employer received a Federal contract) for this report and all subsequent reports is the calendar year (January 1 through December 31) that

precedes the year in which the report is submitted.

(d) The employment activity report required by paragraphs (a)(2) and (a)(3) of this clause must reflect total new hires and maximum and minimum number of employees during the 12-month period preceding the ending date that the contractor selects for the current employment report required by paragraph (a)(1) of this clause.

Contractors may select an ending date:

(1) As of the end of any pay period during the period July 1 through August 31 of the year the report is due; or (2) as of December 31, if the contractor has previous written approval from the Equal Employment Opportunity Commission to do so for purposes of submitting the Employer Information Report EEO–1, Standard Form 100 (EEO–1 Report).

(e) The number of veterans reported according to paragraph (a) of this clause must be based on data known to contractors and subcontractors when completing their VETS–100 Reports. Contractors' and subcontractors' knowledge of veteran status may be obtained in a variety of ways, including, in response to an invitation to applicants to self-identify in accordance with 41 CFR 60–250.42, voluntary self-disclosures by protected incumbent veterans, or actual knowledge of an employee's veteran status by a contractor or subcontractor. Nothing in this paragraph (e) relieves a contractor from liability for discrimination under 38 U.S.C. 4212. (OMB No. 1293–0005)

§ 61–250.11 On what form must the data required by this part be submitted?

(a) Data items required in paragraph (a) of the contract clause set forth in § 61–250.10 must be reported for each hiring location on the VETS–100 form. This form is provided annually to those contractors who are included in the VETS–100 data base. The form, and instructions for preparing it, are also set forth as follows:

The Vets–100 Report Form Is Reprinted as Appendix A to

41 CFR Part 61–250

WHO MUST FILE

This VETS–100 Report is to be completed by all nonexempt federal contractors and subcontractors with a contract or subcontract entered into before December 1, 2003, in the amount of \$25,000 or more with any department or agency of the United States for the procurement of personal property and non-personal services. Services include but are not limited to the following services: utility, construction,

Entering into a covered federal contract or subcontract during a given calendar year establishes the requirement to file a VETS-100 Report during the following calendar year. A VETS-100A Report is to be completed by all nonexempt federal contractors and subcontractors whose only contract or subcontract with any department or agency of the United States for the procurement of personal property and non-personal services (including construction) was entered into or modified on or after December 1, 2003.

WHEN TO FILE

This annual report must be filed no later than September 30. Mail to the address pre-printed on the front of the form.

LEGAL BASIS FOR REPORTING REQUIREMENTS

Title 38, United States Code, Section 4212(d) and PL 105-339, requires that federal contractors report at least annually the numbers of existing employees who are: (1) Special disabled veterans, (2) veterans of the Vietnam era, and (3) other protected veterans (that is, who served on active duty during a war or in a campaign or expedition for which a campaign badge has been authorized). For the existing employees, the numbers of veterans within these three groups are to be broken out by job category. New hires are to be reported over a twelve-month reporting period. The total number of veteran new hires in each of the three groups above is to be reported, along with the total number of recently separated veterans (*i.e.*, hired within twelve months of separation). In addition, over the same twelve-month period, the total number of new hires, both veterans and non-veterans, is required to be reported, along with the minimum and maximum total employment. This reporting is required by hiring location.

HOW TO SUBMIT THE VETS-100 REPORT

Single-establishment employers must file one completed form. All multi-establishment employers, *i.e.*, those doing business at more than one hiring location, must file (A) one form covering the principal or headquarters office; (B) A separate form for each hiring location employing 50 or more persons; and (C) EITHER, (I) a separate form for each hiring location employing fewer than 50 persons, OR (ii) consolidated reports that cover hiring locations within one

State that have fewer than 50 employees. Each state consolidated report must also list the name and address of the hiring locations covered by the report. Company consolidated reports such as those required by EEO-1 reporting procedures are NOT required for the VETS-100 Report. Completed reports for the headquarters location and all other hiring locations for each company should be mailed in one package to the address indicated on the front of the form.

RECORDKEEPING

Employers must keep copies of the completed annual VETS-100 Report submitted to DOL for a period of three years.

HOW TO PREPARE THE FORMS

Multi-establishment employers submitting hard copy reports should produce facsimile copies of the headquarters form for reporting data on each location.

Type of Form: If a reporting organization submits only one VETS-100 Report form for a single location, check the Single Establishment box. If the reporting organization submits more than one form, only one form should be checked as Multiple Establishment-Headquarters. The remaining forms should be checked as either Multiple Establishment-Hiring Location or Multiple Establishment-State Consolidated. For state consolidated forms, the number of hiring locations included in that report should be entered in the space provided. For each form, only one box should be checked within this block.

INFORMATION ON EMPLOYEES

Counting Veterans: Some veterans will fall into more than one of the protected veteran categories. For example, a veteran may be both a special disabled veteran and a Vietnam era veteran. In such cases, the veteran must be counted in each category. Recently separated veterans will be counted in the New Hires section of the VETS-100 Report only. In subsequent years, these veterans will no longer be considered newly separated veterans.

Number of Employees: Select any payroll period ending between July 1 and August 31 of the current year. Provide all data for permanent full-time and part-time employees who were special disabled veterans, Vietnam-era veterans, or other protected veterans employed as of the ending date of the selected payroll period. Do not include employees specifically excluded as indicated in 41 CFR 61-250.2(b)(2). Employees must be counted by veteran status for each of the nine occupational categories (Lines 1-9) in columns L, M, and N. The description of job categories can be found in 41 CFR 61-250.2(b)(3). Blank spaces will be considered zeros.

New Hires: Report the number of permanent full-time and part-time employees by veteran status who were hired (both veterans and non-veterans) and who were included in the payroll for the first time during the 12-month period ending between July 1 through August 31 of the current year. The totals in columns O, P, Q, R, and S (Line 10) are required. Enter all applicable numbers, including zeros.

Maximum/Minimum Employees: Report the maximum and minimum number of permanent employees on board during the period covered as indicated by 41 CFR 61-250.10(a)(3). Contractors may use any reasonable method for calculating and determining the maximum and minimum number of employees during the reporting period.

BILLING CODE 4510-79-P

DEPARTMENT OF HOMELAND SECURITY

Federal Emergency Management Agency

44 CFR Part 64

[Docket No. FEMA-8049]

Suspension of Community Eligibility

AGENCY: Federal Emergency Management Agency, DHS.

ACTION: Final rule.

SUMMARY: This rule identifies communities, where the sale of flood insurance has been authorized under the National Flood Insurance Program (NFIP), that are scheduled for suspension on the effective dates listed within this rule because of noncompliance with the floodplain management requirements of the program. If the Federal Emergency Management Agency (FEMA) receives documentation that the community has adopted the required floodplain management measures prior to the effective suspension date given in this rule, the suspension will not occur and a notice of this will be provided by publication in the **Federal Register** on a subsequent date.

DATES: Effective Dates: The effective date of each community's scheduled suspension is the third date ("Susp.") listed in the third column of the following tables.

FOR FURTHER INFORMATION CONTACT: If you want to determine whether a particular community was suspended on the suspension date or for further information, contact David Stearrett, Mitigation Directorate, Federal Emergency Management Agency, 500 C Street, SW., Washington, DC 20472, (202) 646-2953.

SUPPLEMENTARY INFORMATION: The NFIP enables property owners to purchase flood insurance which is generally not otherwise available. In return, communities agree to adopt and administer local floodplain management aimed at protecting lives and new construction from future flooding. Section 1315 of the National Flood Insurance Act of 1968, as amended, 42

U.S.C. 4022, prohibits flood insurance coverage as authorized under the NFIP, 42 U.S.C. 4001 *et seq.*; unless an appropriate public body adopts adequate floodplain management measures with effective enforcement measures. The communities listed in this document no longer meet that statutory requirement for compliance with program regulations, 44 CFR part 59. Accordingly, the communities will be suspended on the effective date in the third column. As of that date, flood insurance will no longer be available in the community. However, some of these communities may adopt and submit the required documentation of legally enforceable floodplain management measures after this rule is published but prior to the actual suspension date. These communities will not be suspended and will continue their eligibility for the sale of insurance. A notice withdrawing the suspension of the communities will be published in the **Federal Register**.

Previously, FEMA has identified the Special Flood Hazard Areas (SFHAs) in these communities by publishing a Flood Insurance Rate Map (FIRM). The date of the FIRM, if one has been published, is indicated in the fourth column of the table. No direct Federal financial assistance (except assistance pursuant to the Robert T. Stafford Disaster Relief and Emergency Assistance Act not in connection with a flood) may legally be provided for construction or acquisition of buildings in identified SFHAs for communities not participating in the NFIP and identified for more than a year, on FEMA's initial flood insurance map of the community as having flood-prone areas (section 202(a) of the Flood Disaster Protection Act of 1973, 42 U.S.C. 4106(a), as amended). This prohibition against certain types of Federal assistance becomes effective for the communities listed on the date shown in the last column. The Administrator finds that notice and public comment under 5 U.S.C. 553(b) are impracticable and unnecessary because communities listed in this final rule have been adequately notified.

Each community receives 6-month, 90-day, and 30-day notification letters addressed to the Chief Executive Officer stating that the community will be suspended unless the required floodplain management measures are met prior to the effective suspension

date. Since these notifications were made, this final rule may take effect within less than 30 days.

National Environmental Policy Act. This rule is categorically excluded from the requirements of 44 CFR part 10, Environmental Considerations. No environmental impact assessment has been prepared.

Regulatory Flexibility Act. The Administrator has determined that this rule is exempt from the requirements of the Regulatory Flexibility Act because the National Flood Insurance Act of 1968, as amended, 42 U.S.C. 4022, prohibits flood insurance coverage unless an appropriate public body adopts adequate floodplain management measures with effective enforcement measures. The communities listed no longer comply with the statutory requirements, and after the effective date, flood insurance will no longer be available in the communities unless remedial action takes place.

Regulatory Classification. This final rule is not a significant regulatory action under the criteria of section 3(f) of Executive Order 12866 of September 30, 1993, Regulatory Planning and Review, 58 FR 51735.

Executive Order 13132, Federalism. This rule involves no policies that have federalism implications under Executive Order 13132.

Executive Order 12988, Civil Justice Reform. This rule meets the applicable standards of Executive Order 12988.

Paperwork Reduction Act. This rule does not involve any collection of information for purposes of the Paperwork Reduction Act, 44 U.S.C. 3501 *et seq.*
