[Docket No. 2008-6 CRB NCBRA]

Cost of Living Adjustment for Performance of Musical Compositions by Colleges and Universities

AGENCY: Copyright Royalty Board, Library of Congress.
ACTION: Final rule.

SUMMARY: The Copyright Royalty Judges announce a cost of living adjustment (“COLA”) of 3.7% in the royalty rates that colleges, universities, and other nonprofit educational institutions that are not affiliated with National Public Radio pay for the use of published nondramatic musical compositions in the ASCAP, BMI and SESAC repertories. The COLA is based on the change in the Consumer Price Index from October 2007 to October 2008.

DATES: *Effective Date:* January 1, 2009.

FOR FURTHER INFORMATION CONTACT: LaKeshia Brent, CRB Program Specialist. Telephone: (202) 707-7658.

SUPPLEMENTARY INFORMATION: Section 118 of the Copyright Act¹ creates a compulsory license for the use of published nondramatic musical works and published pictorial, graphic, and

sculptural works in connection with noncommercial broadcasting. Terms and rates for this compulsory license, applicable to parties who are not subject to privately negotiated licenses, are published in 37 CFR parts 253 and 381.

Final regulations governing the terms and rates of copyright royalty payments with respect to certain uses by public broadcasting entities of published nondramatic musical works, and published pictorial, graphic, and sculptural works for the license period beginning January 1, 2008, and ending December 31, 2012, were published in the **Federal Register** on November 30, 2007.² Pursuant to these regulations, on or before December 1 of each year the Judges shall publish a notice of the change in the cost of living as determined by the Consumer Price Index (all urban consumers, all items (“CPI-U”)) during the period from the most recent index published prior to the previous notice, to the most recent index published prior to December 1 of that year.³ The regulations also require that the Judges publish a revised schedule of rates for the public performance of musical compositions in the ASCAP, BMI, and SESAC repertories by public broadcasting entities licensed to colleges and universities, reflecting the change in the CPI-U.⁴ Accordingly, the Judges are hereby announcing the change in the CPI-U and applying the annual COLA to the rates set out in 37 CFR 381.5(c).

The change in the cost of living as determined by the CPI-U during the period from the most recent index published before December 1, 2008, to the most recent index published before

December 1, 2007, is 3.7%.⁵ Rounding to the nearest dollar,⁶ the royalty rates for the performance of published nondramatic musical compositions in the repertories of ASCAP, BMI, and SESAC are \$298, \$298, and \$120, respectively.

Amendments to National Emission Standards for Hazardous Air Pollutants for Area Sources: Electric Arc Furnace Steelmaking Facilities

AGENCY: Environmental Protection Agency (EPA).

ACTION: Direct final rule.

SUMMARY: EPA is taking direct final action to amend the national emission standards for electric arc furnace (EAF) steelmaking facilities that are area sources of hazardous air pollutants published on December 28, 2007. The amendments to the area source standards for EAF steelmaking facilities clarify applicability of the opacity limit, make the performance test requirements for particulate matter consistent with requirements in the new source performance standards for EAF steelmaking facilities, allow title V test data to be used to demonstrate compliance, and revise the definition of “scrap provider” to include EAF steelmaking facilities that own and operate a scrap shredder.

DATES: This final rule is effective on March 2, 2009 without further notice, unless EPA receives significant adverse comment by December 31, 2008. If the effective date is delayed, timely notice will be published in the **Federal Register**. If EPA receives adverse comment, we will publish a timely withdrawal in the **Federal Register** informing the public that some or all of the amendments in this rule will not take effect.

Instructions: Direct your comments to Docket ID No. EPA-HQ-OAR-2004-0083. EPA’s policy is that all comments received will be included in the public docket without change and may be made available online at <http://www.regulations.gov>, including any personal information provided, unless the comment includes information claimed to be confidential business information (CBI) or other information whose disclosure is restricted by statute. Do not submit information that you consider to be CBI or otherwise protected through <http://www.regulations.gov> or e-mail. The <http://www.regulations.gov> Web site is an “anonymous access” system, which means EPA will not know your identity or contact information unless you provide it in the body of your comment. If you send an e-mail comment directly to EPA without going through <http://www.regulations.gov>, your e-mail address will be automatically captured and included as part of the comment that is placed in the public docket and made available on the Internet. If you submit an electronic comment, EPA recommends that you include your name and other contact information in the body of your comment and with any disk or CD-ROM you submit. If EPA cannot read your comment due to technical difficulties and cannot contact you for clarification, EPA may not be able to consider your comment. Electronic files should avoid the use of special characters, any form of encryption, and be free of any defects or viruses.

Docket: All documents in the docket are listed in the <http://www.regulations.gov> index. Although listed in the index, some information is not publicly available, e.g., CBI or other information whose disclosure is restricted by statute.
