SUPPLEMENTARY INFORMATION:**Background**

We published a proposed rule to remove (delist) the Hawaiian hawk from the Federal List of Endangered and Threatened Wildlife, due to recovery, on August 6, 2008, with a 60-day comment period that closed on October 6, 2008 (73 FR 45680). In response to public requests for additional dialogue on our proposed rule we held two public information meetings, one on January

28, 2009, at the Pu'ueo Community Center, in Hilo, Hawaii, and the second on January 29, 2009, in Captain Cook, Hawaii. At those public meetings we presented information on our proposed delisting rule and draft PDM Plan and responded to questions. On February 11, 2009, we formally announced the availability of the draft PDM Plan for the Hawaiian hawk and reopened a 60-day public comment period that closed on April 13, 2009 (74 FR 6853). At the public meetings held on January 28 and 29, 2009, we received requests to hold a public hearing regarding our proposed delisting rule for the hawk. In response, we have scheduled two public hearings on the Island of Hawaii (see **DATES**) and are reopening the public comment period.
