AGENCY: Import Administration, International Trade Administration, Department of Commerce.

EFFECTIVE DATE: March 10, 2010.

FOR FURTHER INFORMATION CONTACT: Stephanie Moore or George McMahon, AD/CVD Operations, Office 3, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW, Washington, DC 20230; telephone: (202) 482–3092 or (202) 482–1167, respectively.

SUPPLEMENTARY INFORMATION:

Background

On November 2, 2009, the Department of Commerce (the Department) published in the Federal Register a notice of “Opportunity to Request Administrative Review” of the antidumping duty order on lightweight thermal paper (thermal paper) from Germany for the period of review (POR), November 20, 2008, through October 31, 2009. See Antidumping or Countervailing Duty Order, Finding, or Suspended Investigation: Opportunity To Request Administrative Review, 74 FR 56573 (November 2, 2009).
On November 30, 2009, the Department received a timely request filed on behalf of Appleton Papers Inc. (petitioner) to conduct an administrative review of Mitsubishi HiTec Paper Flensburg GmbH, Mitsubishi HiTec Paper Bielefeld GmbH, and Mitsubishi International Corp. (collectively, Mitsubishi), and Papierfabrik August Koehler AG (Koehler). On November 30, 2009, the Department also received a request filed on behalf of Koehler to conduct an administrative review of Koehler.

Pursuant to the aforementioned requests, the Department published in the Federal Register a notice of initiation of an administrative review of the antidumping duty order on thermal paper from Germany, covering two respondents, Mitsubishi and Koehler. See Initiation of Antidumping and Countervailing Duty Administrative Reviews and Request for Revocation in Part, 74 FR 68229 (December 23, 2009) (Notice of Initiation).

Scope of the Order

The merchandise covered by this order includes certain lightweight thermal paper, which is thermal paper with a basis weight of 70 grams per square meter (g/m²) (with a tolerance of ±4.0 g/m²) or less; irrespective of dimensions, with or without a base coat, on one or both sides; with or without a thermal active coating(s) on one or both sides that is a mixture of the dye and the developer that react and form an image when heat is applied; with or without a top coat; and without an adhesive backing. Certain lightweight thermal paper is typically (but not exclusively) used in point-of-sale applications such as ATM receipts, credit card receipts, gas pump receipts, and retail store receipts. The merchandise subject to these orders may be classified in the Harmonized Tariff Schedule of the United States (HTSUS) under subheadings 3703.10.60, 4811.59.20, 4811.90.8040, 4811.90.9090, 4820.10.20, and 4823.40.00. Although HTSUS subheadings are provided for convenience and customs purposes, the written description of the scope of these orders is dispositive.

Partial Rescission of the 2008–2009 Administrative Review

On January 26, 2010, petitioner withdrew its request for review of Mitsubishi. Pursuant to 19 CFR § 351.213(d)(1), the Secretary will rescind an administrative review, in whole or in part, if the parties that requested a review withdraw the request within 90 days of the date of publication of the notice of initiation of the requested review. The instant review was initiated on December 23, 2009. See Notice of Initiation. The petitioner’s withdrawal of request for a review of Mitsubishi falls within the 90–day deadline for rescission by the Department, and no other party requested an administrative review of this particular respondent. Therefore, in accordance with 19 CFR § 351.213(d)(1), and consistent with our practice, we are rescinding this review with respect to Mitsubishi. See, e.g., Certain Lined Paper Products From India: Notice of Partial Rescission of Antidumping Duty Administrative Review and Extension of Time Limit for the Preliminary Results of Antidumping Duty Administrative Review, 74 FR 21781 (May 11, 2009). The instant review will continue with respect to Koehler.

Notification to Importers

This notice serves as a reminder to importers of their responsibility under 19 CFR §351.402(d)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary’s presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

Notification Regarding Administrative Protective Order

This notice serves as a final reminder to parties subject to administrative protective orders (APO) of their responsibility concerning the disposition of proprietary information disclosed under an APO in accordance with 19 CFR § 351.305(a)(3). Timely written notification of the return/destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and terms of an APO is a sanctionable violation.

We have been enjoined from liquidating entries of the subject merchandise produced and/or exported by Mitsubishi. Therefore, we do not intend to issue liquidation instructions to U.S. Customs and Border Protection (CBP) for such entries entered on or after November 20, 2008, until such time the preliminary injunction issued on March 17, 2009, is lifted.

This notice is issued and published in accordance with sections 751(a)(1), 751(a)(3)(A), and 777(i)(1) of the Tariff Act of 1930, as amended, and 19 CFR §351.213(d)(4).

Dated: March 4, 2010.

John M. Andersen,
Acting Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations.
