SUPPLEMENTARY INFORMATION:

Background:

Under the PRA, 44 U.S.C. 3501-3520, federal agencies must obtain approval from OMB for each collection of information they conduct or sponsor. “Collection of information” means agency requests or requirements that members of the public submit reports, keep records, or provide information to a third party. 44 U.S.C. 3502(3); 5 CFR 1320.3(c). The Alternative Fuel Rule, which implements the Energy Policy Act of 1992, Pub. L. 102–486, requires disclosure of specific information on labels posted on fuel dispensers for non-liquid alternative fuels and on labels on Alternative Fueled Vehicles (AFVs). To ensure the accuracy of these disclosures, the Rule also requires that sellers maintain records substantiating product-specific disclosures they include on these labels.

On January 5, 2010, the FTC sought comment on the information collection requirements associated with the Rule.¹ No comments were received. Pursuant to the OMB regulations, 5 CFR Part 1320, that implement the PRA, the FTC is providing this second opportunity for public comment while seeking OMB approval to renew the pre-existing clearance for the Rule (OMB Control No. 3084-0094). All comments should be filed as prescribed in the ADDRESSES section above and in the Request for Comments (found below), and must be received on or before April 16, 2010.

Request for Comments:

Interested parties are invited to submit written comments electronically or in paper form. Please note that your comment — including your name and your state — will be placed on the public record of this proceeding, including on the publicly accessible FTC Web site, at (http://www.ftc.gov/os/publiccomments.shtm).

Because comments will be made public, they should not include any sensitive personal information, such as an individual’s Social Security Number; date of birth; driver’s license number or other state identification number, or foreign country equivalent; passport number; financial account number; or credit or debit card number. Comments also should not include any sensitive health information, such as medical records or other individually identifiable health information. In addition, comments should not include any “[t]rade secret or any commercial or financial information which is obtained from any person and which is privileged or confidential...”, as provided in Section 6(f) of the Federal Trade Commission Act (“FTC Act”), 15 U.S.C. 46(f), and Commission Rule 4.10(a)(2), 16 CFR 4.10(a)(2). Comments containing material for which confidential treatment is requested must be filed in paper form, must be clearly labeled “Confidential,” and must comply with FTC Rule 4.9(c).²

Because paper mail addressed to the FTC is subject to delay due to heightened security screening, please consider submitting your comments in electronic form.
