AGENCY: U.S. Citizenship and Immigration Services, Department of Homeland Security.

ACTION: Notice.

SUMMARY: On March 18, 2010, President Obama issued a memorandum to the Secretary of Homeland Security (the Secretary), Janet Napolitano, directing the Secretary to extend for an additional 18 months the deferred enforced departure (DED) of certain Liberians and to provide for work authorization during that period. The extension runs from April 1, 2010, through September 30, 2011. This notice announces an automatic 6-month extension of current employment authorization documents (EADs) held by Liberians whose DED has been extended under the presidential memorandum and informs eligible Liberians and their employers how to determine which EADs are automatically extended. This notice also provides instructions for eligible Liberians on how to apply for the full 18-month extension of employment authorization. Finally, this notice provides instructions for DED-eligible Liberians on how to apply for permission to travel outside the United States during the 18-month DED period.

DATES: This notice is effective April 1, 2010. The 6-month automatic extension of employment authorization for Liberians who are eligible for DED, including the extension of their EADs, as specified in this notice, is effective on April 1, 2010. This automatic extension will expire on September 30, 2010. The 18-month extension of DED is valid through September 30, 2011.
