dumping margins (calculated as the difference between normal value and EP) for each exporter’s importer or customer by the total number of units the exporter sold to that importer or customer. We will direct CBP to assess the resulting per-unit dollar amount against each unit of merchandise in each of that importer’s/customer’s entries under the relevant order during the review period.

**Constructed Export-Price Sales**

For CEP sales (sampled and non-sampled), we divided the total dumping margins for the reviewed sales by the total entered value of those reviewed sales for each importer. We will direct CBP to assess the resulting percentage margin against the entered customs values for the subject merchandise on each of that importer’s entries under the relevant order during the review period. See 19 CFR 351.212(b).

**Cash-Deposit Requirements**

The following deposit requirements will be effective upon publication of the notice of final results of administrative reviews for all shipments of subject merchandise entered, or withdrawn from warehouse, for consumption on or after the date of publication, as provided by section 751(a)(1) of the Act: (1) The cash-deposit rate for the reviewed companies will be the rates established in the final results of the reviews; (2) for previously reviewed or investigated companies not listed above, the cash-deposit rate will continue to be the company-specific rate published for the reviewed companies during the most recent period. Failure to comply with this requirement could result in the Department’s presumption that reimbursement of antidumping duties occurred and the subsequent assessment of doubled antidumping duties.

These preliminary results of administrative reviews, preliminary results of changed-circumstances review, rescission of antidumping duty administrative reviews in part, and intent to revoke an order in part are issued and published in accordance with sections 751(a)(1), 751(b)(1), and 777(i)(1) of the Act.

Dated: April 21, 2010.

Ronald K. Lorentzen,
Deputy Assistant Secretary for Import Administration.
