Description: The National Defense Authorization Act for Fiscal Year 2008, Public Law 110–181, was enacted on January 28, 2008. Section 1105 of Public Law 110–181 amended the Federal Employees’ Compensation Act (FECA) creating a new section 8102a effective upon enactment. This section establishes a new FECA death gratuity benefit of up to $100,000 for eligible beneficiaries of federal employees and Non-Appropriated Fund Instrumentality employees who die from injuries incurred in connection with service with an Armed Force in a contingency operation. Section 8102a also permits agencies to authorize retroactive payment of the death gratuity for employees who died on or after October 7, 2001, in service with an Armed Force in the theater of operations of Operation Enduring Freedom and Operation Iraqi Freedom. Form CA–40 requests the information necessary from the employee to accomplish this variance. Form CA–41 provides the means for those named beneficiaries and possible recipients to file claims for those benefits and requests information from such claimants so that OWCP may determine their eligibility for payment. Further, the statute and regulations require agencies to notify OWCP immediately upon the death of a covered employee. CA–42 provides the means to accomplish this notification and requests information necessary to administer any claim for benefits resulting from such a death. DEPARTMENT OF LABOR

Employment and Training Administration

[TA–W–71,494]

Johns Manville, Engineered Products Division, Spartanburg, SC; Notice of Affirmative Determination Regarding Application for Reconsideration

By application dated May 2, 2010, a petitioner requested administrative reconsideration of the negative determination regarding workers’ eligibility to apply for Trade Adjustment Assistance (TAA) applicable to workers and former workers of the subject firm. The determination was issued on April 16, 2010. The Notice of Determination will soon be published in the Federal Register.

The initial investigation resulted in a negative determination based on the finding that imports of polyester non-woven fabrics did not contribute importantly to worker separations at the subject firm and no shift of production to a foreign source occurred.

In the request for reconsideration, the petitioner provided additional information pertaining to the operations and customer base of the subject firm.

The Department has carefully reviewed the request for reconsideration and the existing record and has determined that the Department will conduct further investigation to determine if the workers meet the eligibility requirements of the Trade Act of 1974.

Conclusion

After careful review of the application, I conclude that the claim is of sufficient weight to justify reconsideration of the U.S. Department of Labor’s prior decision. The application is, therefore, granted.

Signed at Washington, DC, this 14th day of May 2010.

Del Min Amy Chen,
Certifying Officer, Division of Trade Adjustment Assistance.
