This Committee is a permanent committee of the National Agricultural Research Extension, Education, and Economics Advisory Board. The Committee’s charge is to

The list of specific topics of interest is available on the Committee charge on the NAREEE Web site (http://nareeeab.ree.usda.gov). In addition, the Committee seeks input on the Specialty Crop Research Initiative priorities and program administration, as well as its interaction with any research undertaken by the state administered Specialty Crop Block Grant Program funded through the USDA. Several panel sessions will be organized to stimulate discussion, each relating to one or more specific issues delineated in the Committee’s charge. Each panel will be followed with questions by Committee members and opportunity for brief presentations and general discussion from the floor. An open session for further brief presentations will be also be scheduled. Succinct written comments by attendees and other interested stakeholders will be welcomed as additional public input before and up to two weeks following the listening sessions. All statements will become part of the official public record of the Board’s Specialty Crop Committee.

In order to encourage input from a wide array of interested parties and stakeholders from diverse regions of the country, the Committee will host an additional listening session focused on the same topics. This session will be held in Sacramento, CA on June 10, 2010. Details regarding this meeting will be announced in the near future.
