**Polyethylene Retail Carrier Bags from Thailand: Rescission of Antidumping Duty Administrative Review in Part**

**AGENCY:** Import Administration, International Trade Administration, Department of Commerce.

**SUMMARY:** On September 22, 2009, in response to requests from interested parties, the Department of Commerce published a notice of initiation of administrative review of the antidumping duty order on polyethylene retail carrier bags from Thailand. The period of review is August 1, 2008, through July 31, 2009.

The Department of Commerce published a notice of issuance of partial withdrawal of the request for review.

**Rescission of Review in Part**

In accordance with 19 CFR 351.213(d)(1), the Department will rescind an administrative review “if a party that requested the review withdraws the request within 90 days of the date of publication of notice of initiation of the requested review. The Secretary may extend this time limit if the Secretary decides that it is reasonable to do so.” Although we did not receive the petitioners’ withdrawal letter within the 90-day time limit, we determine that it is reasonable to accept this letter of withdrawal because we have not expended significant resources in the conduct of this review and because we received no other requests for review of Landblue. Accordingly, the Department is rescinding this review in part with respect to Landblue pursuant to 19 CFR 351.213(d)(1). The Department intends to issue appropriate assessment instructions to U.S. Customs and Border Protection 15 days after the date of publication of this notice.

**Notification to Importers**

This notice serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary’s presumption that reimbursement of antidumping duties occurred and subsequent assessment of double antidumping duties.

We are issuing and publishing this rescission in accordance with section 777(i)(1) of the Tariff Act of 1930, as amended, and 19 CFR 351.213(d)(4).

**SUPPLEMENTARY INFORMATION:**

**Background**

On December 1, 2009, the Department published a notice of opportunity to request an administrative review of the countervailing duty order on Carbazole Violet Pigment 23 (CVP–23) from India. See Antidumping or Countervailing Duty Order, Finding, or Suspended Investigation; Opportunity To Request Administrative Review, 74 FR 62743 (December 1, 2009). On December 31, 2009, we received a request from Meghmani Pigments requesting an administrative review of the countervailing duty order on CVP–23 from India for the period January 1, 2008 through December 31, 2008. In its request, Meghmani Pigments noted that it was formerly known as Alpanil Industries, Ltd. and that its name change to Meghmani Pigments occurred effective April 9, 2009, a date subsequent to the requested period of review. In accordance with 19 CFR 351.221(c)(1)(i), the Department published a notice initiating an administrative review of the countervailing duty order on CVP–23 from India. See Initiation of Antidumping and Countervailing Duty Administrative Reviews, Request for Revocation in Part, and Deferral of Initiation of Administrative Review, 75 FR 4770 (January 29, 2010).

**Rescission of Countervailing Duty Administrative Review**

The Department’s regulations provide that the Department will rescind an administrative review if the party that requested the review withdraws its request for review within 90 days of the date of publication of the notice of initiation. See 19 CFR 351.213 (d)(1). On
April 28, 2010, Meghmani Pigments submitted a letter withdrawing its request of the review within the 90-day deadline. No other party requested a review of the order. Therefore, the Department is resending this administrative review of the countervailing duty order on CVP–23 from India for the period January 1, 2008 through December 31, 2008. The Department intends to issue appropriate assessment instructions to U.S. Customs and Border Protection 15 days after the date of publication of this notice.

SUPPLEMENTARY INFORMATION:

Background

Section 101(a)(5)(A) of the MMPA (16 U.S.C. 1361 et seq.) directs the Secretary of Commerce (Secretary) upon request, to allow, during periods of not more than five consecutive years each, the incidental, but not intentional, taking of marine mammals by United States citizens who engage in a specified activity (other than commercial fishing) within a specified geographical region, if certain findings are made and regulations are issued.

The Secretary shall grant the authorization for incidental taking if NMFS finds, after notice and opportunity for public comment, that the total of such taking during each five-year (or less) period concerned, will have a negligible impact on the species or stock(s), will not have an unmitigable adverse impact on the availability of the species or stock(s) for subsistence uses, and if the permissible methods of taking and requirements pertaining to the mitigation, monitoring and reporting of such takings are set forth.

NMFS has defined “negligible impact” in 50 CFR 216.103 as “...an impact resulting from the specified activity that cannot be reasonably expected to, and is not reasonably likely to, adversely affect the species or stock through effects on annual rates of recruitment or survival.” In addition, NMFS must prescribe regulations that include permissible methods of taking and other means of effecting the least practicable adverse impact on the species and its habitat, paying particular attention to rookeries, mating grounds, and areas of similar significance, and on the availability of the species for subsistence uses. The regulations must include requirements for monitoring and reporting of such taking.

Regulations governing the taking of California sea lions and Pacific harbor seals, by Level B harassment, incidental to commercial fireworks displays within the Monterey Bay National Marine Sanctuary (MBNMS) became effective on July 4, 2006, and remain in effect until July 3, 2011. For detailed information on this action, please refer to the original Federal Register notice (71 FR 40928, July 19, 2006). These regulations include mitigation, monitoring, and reporting requirements for the incidental taking of marine mammals during the fireworks displays within the Sanctuary boundaries. This will be the fifth LOA issued pursuant to these regulations.

Summary of Request

On February 26, 2010, NMFS received a request for a LOA pursuant to the aforementioned regulations that would authorize, for a period not to exceed 1 year, take of marine mammals incidental to fireworks displays at the MBNMS. Justification for conducting fireworks displays within the MBNMS can be found in the proposed rule (71 FR 25544, May 1, 2006) and the final rule (71 FR 40928, July 19, 2006).

Summary of Activity and Monitoring Under the Current LOA

In compliance with the 2009 LOA, the MBNMS submitted an annual report on the fireworks displays at MBNMS. A summary of that report follows.

For each display, observers conducted pre-event surveys to document abundance and distribution of local marine mammal populations within the fireworks areas. Following the fireworks display, observers conducted post-event monitoring to record the presence of injured or dead marine mammals, and other wildlife.

Pre-event monitoring of the Cambria Independence Day Fireworks on July 3 found no marine mammals present at the site and a post-event census on July 5 found no injured or dead marine mammals.

On July 3, observers conducted pre-event monitoring in the Pillar Point
