FOR FURTHER INFORMATION CONTACT: Kate Johnson at (202) 482-4929, or David Goldberger at (202) 482-4136, AD/CVD Operations, Office 2, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, N.W., Washington, D.C. 20230.

Background

On March 15, 2010, the Department of Commerce (the Department) published the preliminary results of the administrative review of the antidumping duty order on certain frozen warmwater shrimp from Thailand covering the period February 1, 2008, through January 31, 2009. See *Certain Frozen Warmwater Shrimp from Thailand: Preliminary Results of Antidumping Duty Administrative Review and Final Results of Partial Rescission of Antidumping Duty Administrative Review*, 75 FR 12188 (March 15, 2010). The final results for this administrative review are currently due no later than July 13, 2010, 120 days from the date of publication of the preliminary results of review.

Extension of Time Limit for the Final Results

Section 751(a)(3)(A) of the Tariff Act of 1930, as amended (the Act), requires the Department to issue the final results of an administrative review within 120 days after the date on which the preliminary results are published. If it is not practicable to complete the review within that time period, section 751(a)(3)(A) of the Act allows the Department to extend the deadline for the final results to a maximum of 180 days after the date on which the preliminary results are published.

The Department requires additional time to complete this review in order to properly consider the numerous and complex issues raised by interested parties in their case briefs (e.g., cooked form model matching product characteristic and CEP offset). Thus, it is not practicable to complete this review within the original time limit. Therefore, the Department is extending the time limit for completion of the final

results of this review by 60 days, in accordance with section 751(a)(3)(A) of the Act. Because September 11, 2010, falls on a Saturday, the new deadline for the final results will be September 13, 2010.

We are issuing and publishing this notice in accordance with sections 751(a)(1) and 777(i)(1) of the Act.

Dated: June 15, 2010.

John M. Andersen,

Acting Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations.

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

SUMMARY: On December 8, 2009, the Department of Commerce (Department) published in the **Federal Register** its preliminary results of administrative review of the antidumping duty order on fresh garlic from the People's Republic of China (PRC) covering the period of review (POR) of November 1, 2007, through October 31, 2008. See *Fresh Garlic from the People's Republic of China: Preliminary Results of, and Intent to Rescind, in Part, the Antidumping Duty Administrative Review*, 74 FR 64677 (December 8, 2009) (*Preliminary Results*). Following the *Preliminary Results*, we provided interested parties with an opportunity to comment on the *Preliminary Results*. Our analysis of the comments submitted and information received did not lead to any changes in the *Preliminary Results*. Therefore, the final results do not differ from the *Preliminary Results*.

As discussed below, the Department is applying total adverse facts available (AFA) to the six mandatory respondents who each failed to cooperate to the best of its ability in this proceeding. These mandatory respondents are Anqiu Friend Food Co., Ltd. (Anqiu Friend), Jining Trans-High Trading Co., Ltd. (Jining Trans-High), Qingdao Saturn International Trade Co., Ltd. (Qingdao Saturn), Shenzhen Fanhui Import & Export Co., Ltd. (Shenzhen Fanhui), Jinxiang Tianma Freezing Storage Co., Ltd. (Tianma Freezing), and Weifang

Shennong Foodstuff Co., Ltd. (Weifang Shennong). The Department also finds that eleven companies subject to this review,¹ including mandatory respondents Shanghai Ever Rich Trade Company (Shanghai Ever Rich), Jining Trans-High, Qingdao Saturn, and Shenzhen Fanhui did not demonstrate their eligibility for separate rate status. See Appendix 2. In addition, the Department grants a separate rate to the four fully-cooperative non-selected respondents which demonstrated their eligibility for separate rate status. For the rates assigned to each of these companies, see the "Final Results of Review" section of this notice. Finally, the Department is also rescinding the review with respect to one exporter who timely submitted a "no shipment" certification. See "Final Partial Rescission of Administrative Review" section of this notice.

DATES: *Effective Date:* June 21, 2010.
