AGENCY: Import Administration, International Trade Administration, Department of Commerce.

SUMMARY: The Department of Commerce (“the Department”) has received requests to conduct administrative reviews of various antidumping duty orders and findings with June anniversary dates. In accordance with the Department’s regulations, we are initiating those administrative reviews. The Department received requests to revoke three antidumping duty orders in part.

DATES: Effective Date: July 28, 2010.

SUPPLEMENTAL INFORMATION:

Background

The Department has received timely requests, in accordance with 19 CFR 351.213(b), for administrative reviews of various antidumping duty orders and findings with June anniversary dates. The Department also received requests to revoke in part the antidumping duty orders on Certain Polyester Staple Fiber from the People’s Republic of China (“PRC”) with respect to two exporters, Polyethylene Terephthalate Film, Sheet, and Strip (“PET Film”) from South Korea with respect to one exporter, and Folding Metal Tables and Chairs from the PRC with respect to one exporter.

In the notice we published on June 30, 2010 (75 FR 37759), initiating the 2009/10 administrative reviews of the antidumping duty orders on ball bearings and parts thereof from various countries, we inadvertently referred to the case numbers U.S. Customs and Border Protection (“CBP”) uses in its application of the orders to entries of subject merchandise. Parties wishing to make submissions concerning the respective country-specific reviews should use, instead, the following case numbers in all such submissions to the Department: France A–427–801; Germany A–428–801; Italy A–475–801; Japan A–588–804; United Kingdom A–412–801.

Notice of No Sales

Under 19 CFR 351.213(d)(3), the Department may rescind a review where there are no exports, sales, or entries of subject merchandise during the respective period of review (“POR”) listed below. If a producer or exporter named in this initiation notice had no exports, sales, or entries during the POR, it must notify the Department within 60 days of publication of this notice in the Federal Register. The Department will consider rescinding the review only if the producer or exporter, as appropriate, submits a properly filed and timely statement certifying that it had no exports, sales, or entries of subject merchandise during the POR. All submissions must be made in accordance with 19 CFR 351.303 and are subject to verification in accordance with section 782(i) of the Tariff Act of 1930, as amended (“the Act”). Six copies of the submission should be submitted to the Assistant Secretary for Import Administration, International Trade Administration, Room 1870, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington, DC 20230. Further, in accordance with 19 CFR 351.303(f)(1)(i), a copy of each request must be served on every party on the Department’s service list.

Respondent Selection

In the event the Department limits the number of respondents for individual examination for administrative reviews, the Department intends to select respondents based on CBP data for U.S. imports during the POR. We intend to release the CBP data under Administrative Protective Order (“APO”) to all parties having an APO within five days of publication of this initiation notice and to make our decision regarding respondent selection within 20 days of publication of this Federal Register notice. The Department invites comments regarding the CBP data and respondent selection within 10 calendar days of publication of this Federal Register notice.
