DEPARTMENT OF TRANSPORTATION
Office of the Secretary of Transportation
The Future of Aviation Advisory Committee (FAAC) Aviation Safety Subcommittee; Notice of Meeting

AGENCY: U.S. Department of Transportation, Office of the Secretary of Transportation.

ACTION: The Future of Aviation Advisory Committee (FAAC): Aviation Safety Subcommittee; Notice of Meeting.

SUMMARY: The Department of Transportation (DOT), Office of the Secretary, announces a meeting of the FAA’s Aviation Safety Subcommittee, which will be held August 24, 2010, in Chicago, Illinois. This notice announces the date, time, and location of the meeting, which will be open to the public. The purpose of the FAA is to provide advice and recommendations to the Secretary of Transportation to ensure the competitiveness of the U.S. aviation industry and its capability to manage effectively the evolving transportation needs, challenges, and opportunities of the global economy. The Aviation Safety Subcommittee will receive a briefing from Federal Aviation Administration (FAA) officials on the agency’s activities associated with the list of priority safety issues developed during the previous meeting. The Subcommittee will—

1. Receive a briefing from the FAA on existing safety activities associated with the list of priority safety issues developed during the previous meeting.
2. Discuss any necessary revisions to the priority list.
3. Develop a work plan for future meetings.

Registration

Because of space constraints and planning considerations, persons desiring to attend must pre-register through e-mail to FAA@dot.gov. The term “Registration: Safety Subcommittee” must be listed in the subject line of the message, and admission will be limited to the first 25 persons to pre-register and receive a confirmation of their pre-registration. No arrangements are being made for audio or video transmission, or for oral statements or questions from the public at the meeting. Minutes of the meeting will be posted on the FAA’s Web site at http://www.dot.gov/FAAC.

Request for Special Accommodation

The DOT is committed to providing equal access to this meeting for all participants. If you need alternative formats or services because of a disability, please send a request to FAA@dot.gov with the term “Special Accommodations” listed in the subject line of the message by close of business on August 13, 2010.

For further information contact:
Tony Fazio, Deputy Director, Office of Accident Investigation and Prevention, Federal Aviation Administration, 800 Independence Avenue, SW., Washington, DC; telephone (202) 267–9612; Tony.Fazio@FAA.gov.

Issued in Washington, DC, on July 27, 2010.

Pamela Hamilton-Powell,
Designated Federal Official, Future of Aviation Advisory Committee.

DEPARTMENT OF TRANSPORTATION
Office of the Secretary: Notice of Order Soliciting Community Proposals

AGENCY: Department of Transportation.

SUMMARY: The Department of Transportation is soliciting proposals from communities or consortia of communities interested in receiving a grant under the Small Community Air Service Development Program. The full text of the Department’s order is attached to this document. There are two mandatory requirements for filing of applications, both of which must be completed for a community’s application to be deemed timely and considered by the Department. The first requirement is the submission of the community’s proposal, as described below; the second requirement is the filing of SF424 through http://www.grants.gov.

DATES: Grant Proposals as well as the SF424 should be submitted no later than August 27, 2010.

ADDRESSES: Interested parties can submit applications and the SF424 electronically through http://www.grants.gov.

FOR FURTHER INFORMATION CONTACT:

Notice of Order Soliciting Community Proposals

AGENCY: Department of Transportation, Office of the Secretary.

Overview

By this order, the Department invites proposals from communities and/or consortia of communities interested in obtaining a federal grant under the Small Community Air Service Development Program (Small Community Program) to address air...
