Verification

As provided in section 782(i) of the Act, we verified the sales and COP information submitted by Refmex for use in our final determination. We used standard verification procedures including an examination of relevant accounting and production records, and original source documents provided by the respondent. Our sales and cost verification results are outlined in separate verification reports. See CEPVR, HMVR, and CVR. The verification reports are on file and available in the Central Records Unit, Room 1117 of the Commerce Department.

Changes Since the Preliminary Determination

Based on our analysis of the comments received and our findings at verification, we have made certain changes to the margin calculations for Refmex. For a discussion of these changes, see the “Margin Calculations” section of the Decision Memo.

Continuation of Suspension of Liquidation

In accordance with section 735(c)(1)(B) of the Act, we are directing U.S. Customs and Border Protection (CBP) to continue to suspend liquidation of all imports of subject merchandise that are entered or withdrawn from warehouse, for consumption on or after March 11, 2010, the date of publication of the preliminary determination in the Federal Register. We will instruct CBP to continue to require a cash deposit or the posting of a bond for all companies based on the estimated weighted–average dumping margins shown below. The suspension of liquidation instructions will remain in effect until further notice.

Final Determination Margins

We determine that the weighted–average dumping margins are as follows:

<table>
<thead>
<tr>
<th>Manufacturer/Exporter</th>
<th>Weighted–Average Margin (percent)</th>
</tr>
</thead>
<tbody>
<tr>
<td>RHI–Refmex S.A. de C.V.</td>
<td>57.90</td>
</tr>
<tr>
<td>All Others</td>
<td>57.90</td>
</tr>
</tbody>
</table>

All–Others Rate

Section 735(c)(5)(A) of the Act provides that the estimated “All Others” rate shall be an amount equal to the weighted average of the estimated weighted–average dumping margins established for exporters and producers individually investigated, excluding any zero and de minimis margins, and any margins determined entirely under section 776 of the Act. Refmex is the only respondent in this investigation for which the Department calculated a company–specific rate. Therefore, for purposes of determining the all–others rate and pursuant to section 735(c)(5)(A) of the Act, we are using the weighted–average dumping margin calculated for Refmex, as referenced above. See, e.g., Notice of Final Determination of Sales at Less Than Fair Value: Stainless Steel Sheet and Strip in Coils From Italy, 64 FR 30750, 30755 (June 8, 1999); and Coated Free Sheet Paper from Indonesia: Notice of Preliminary Determination of Sales at Less Than Fair Value and Postponement of Final Determination, 72 FR 30753, 30757 (June 4, 2007), unchanged in Notice of Final Determination of Sales at Less Than Fair Value: Coated Free Sheet Paper from Indonesia, 72 FR 60636 (October 25, 2007).

Disclosure

We will disclose the calculations performed within five days of the date of publication of this notice to parties in this proceeding in accordance with 19 CFR 351.224(b).

International Trade Commission Notification

In accordance with section 735(d) of the Act, we have notified the International Trade Commission (ITC) of our final determination. As our final determination is affirmative, the ITC will determine within 45 days whether imports of the subject merchandise are causing material injury, or threat of material injury, to an industry in the United States. If the ITC determines that material injury or threat of injury does not exist, the proceeding will be terminated and all securities posted will be refunded or canceled. If the ITC determines that such injury does exist, the Department will issue an antidumping duty order directing CBP to assess antidumping duties on all imports of the subject merchandise entered, or withdrawn from warehouse, for consumption on or after the effective date of the suspension of liquidation.

Return or Destruction of Proprietary Information

This notice will serve as the only reminder to parties subject to administrative protective order (APO) of their responsibility concerning the destruction of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3). Timely written notification of return/ destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and the terms of an APO is a sanctionable violation.

We are issuing and publishing this determination and notice in accordance with sections 735(d) and 777(i) of the Act.

Dated: July 26, 2010.

Ronald K. Lorentzen,
Deputy Assistant Secretary for Import Administration.

Magnuson-Stevens Act Provisions; General Provisions for Domestic Fisheries; Application for Exempted Fishing Permits

AGENCY: National Marine Fisheries Service (NMFS), National Oceanic and Atmospheric Administration (NOAA), Commerce.

ACTION: Notice; request for comments.

SUMMARY: The Assistant Regional Administrator for Sustainable Fisheries, Northeast Region, NMFS (Assistant Regional Administrator), has made a preliminary determination that an Exempted Fishing Permit (EFP) application contains all of the required information and warrants further consideration. This EFP would allow four commercial fishing vessels to fish outside of the limited access scallop days-at-sea (DAS) program and the sea scallop access area regulations in support of research conducted by the
Coonamessett Farm Foundation. The Assistant Regional Administrator has made a preliminary determination that the activities authorized under this EFP would be consistent with the goals and objectives of the Atlantic sea scallop Fishery Management Plan (FMP). However, further review and consultation may be necessary before a final determination is made to issue an EFP. Therefore, NMFS announces that the Assistant Regional Administrator proposes to recommend that an EFP be issued.

Regulations under the Magnuson-Stevens Fishery Conservation and Management Act require publication of this notification to provide interested parties the opportunity to comment on applications for proposed EFPs.
