will amend its rules as described in the summaries below:

a. Rule 18 (Procedures for When [the Corporation] Declines or Ceases To Act)

   Section 7 of Rule 18 provides that NSCC maintains a lien on all property placed in its possession by a Member as security for any and all liabilities of that Member to NSCC. An exception to this rule is where such a lien would be prohibited under Commission Rules 8c–1 and 15c2–1. NSCC will modify the section to clarify that it does not maintain a lien on ACATS assets that have been delivered to a Receiving Member through CNS.

b. Rule 50 (ACATS)

   NSCC will amend Rule 50 to clarify that NSCC may reverse uncompleted ACATS obligations when either the Delivering or Receiving Member has failed to meet its settlement obligation to NSCC. In addition, this Rule will be revised to note that in the event of such a reversal of uncompleted CNS ACATS obligations, NSCC will make files available to each Member to show each open security position due to settle that day that is subject to the reversal as well as such other information as NSCC may deem advisable. NSCC will also make a technical correction to clarify that ACATS transactions enter the CNS Accounting Operation on the day before Settlement Date (SD–1) rather than the day after Trade Date (T+1).

c. Procedure VII (CNS Accounting Operation)

   NSCC will modify Procedure VII to provide for the tracking of customer transfers by stating that deliveries of a particular security through CNS will be used to satisfy a Member’s ACATS receive and deliver obligations before which is being used to satisfy another obligation, such as a trade-related obligation of that Member. In addition, the modified language will indicate that this designation will be provided to the Member’s Designated Depository to facilitate its processing of the item.

4. Implementation

   NSCC intends to implement these changes during the third quarter of 2010 and will advise Members of the implementation date through issuance of NSCC Important Notices. NSCC has agreed to provide Commission staff with updates on at least a quarterly basis on the progress related to industry discussions for processing enhancements for non-CNS ACAT transfers.11

III. Discussion

   The Commission finds that the proposed rule change is consistent with the requirements of the Act 12 and the rules and regulations thereunder applicable to NSCC. In particular, the Commission believes that the changes NSCC is making to its ACATS system to implement a tracking mechanism to distinguish ACATS activity from other items processed through CNS and to clarify that NSCC does not maintain a lien on ACATS assets delivered to a Receiving Member through CNS are consistent with NSCC’s obligations under Section 17A(b)(3)(F) 13 which requires, among other things, that the rules of a clearing agency are designed to protect investors and the public interest.

IV. Conclusion

   On the basis of the foregoing, the Commission finds that the proposal is consistent with the requirements of the Act and in particular with the requirements of Section 17A of the Act 14 and the rules and regulations thereunder.

   It is therefore ordered, pursuant to Section 19(b)(2) of the Act, 15 that the proposed rule change (File No. SR–NSCC–2010–05) be, and hereby is, approved.16

   For the Commission by the Division of Trading and Markets, pursuant to delegated authority. 17

Florence E. Harmon,
Deputy Secretary.

11 In connection with its review of ACATS, NSCC has agreed to provide Commission staff with updates, not less frequently than once per quarter, of its ongoing cooperative efforts with industry participants to determine the feasibility of procedures whereby it will treat ACATS full account transfers uniformly and it will execute, delete or reverse the transfers consistently for all the assets in an account whether those assets are CNS-eligible or not.
16 In approving the proposed rule change, the Commission considered the proposal’s impact on efficiency, competition, and capital formation. 15 U.S.C. 78c(f).
Issues Raised by the United States

In its request for consultations, the United States notes that the Government of Guatemala appears to be failing to meet its obligations under Article 16.2.1(a) with respect to effective enforcement of Guatemalan labor laws related to the right of association, the right to organize and bargain collectively, and acceptable conditions of work. Based on an extensive examination of Guatemala’s labor laws, collection of factual evidence, and analysis of Guatemala’s obligations under Article 16.2.1(a), the United States identified a significant number of failures by Guatemala to enforce its labor laws, constituting a sustained or recurring course of action or inaction. Failures include: (1) Ministry of Labor failures to investigate alleged labor law violations; (2) Ministry of Labor failures to take enforcement action once the Ministry identified a labor law violation; and (3) Court failures to enforce Labor Court orders in cases involving labor law violations.
