The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

A. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The purpose of the proposed rule change is to amend the manner in which the Cancellation Fee is assessed on member organizations for each cancelled electronically delivered AON orders. A Professional order is treated, for purposes of priority, as a Customer order.°

Currently, the Exchange assesses a Cancellation Fee of $2.10 per order on member organizations for each cancelled electronically delivered Customer order that exceeds the number of Customer orders executed on the Exchange by that member organization in a given month. The Exchange calculates the Cancellation Fee by aggregating all Customer orders and cancellations received from a member organization in a particular calendar month. At least 500 Customer cancellations must be made in a given month by a member organization in order for a member organization to be assessed the Cancellation Fee (“500 Threshold”). The Cancellation Fee is not assessed in a month in which fewer than 500 electronically delivered Customer orders are cancelled. Simple

° Electronically delivered orders are delivered through the Exchange's options trading platform known as PHXL XL II.

° Currently, a Professional is treated in the same manner as an off-floor broker-dealer for purposes of Rules 1014(g) (except with respect to AON orders, which will be treated like Customer orders), 1033(e), 1033(c), 1033(d), 1064.02 (except professional orders will be considered Customer orders subject to facilitation), and 1080.08 as well as Options Floor Procedure Advices B–6, B–11 and F–5. Member organizations must indicate whether orders are for professionals.

° For purposes of assessing the Cancellation Fee, Customer orders from the same member organization in the same series on the same side of the market that are executed at the same price.
