INTERNATIONAL TRADE COMMISSION

[Investigation Nos. 701–TA–467 and 731–TA–1164–1165 (Final)]

Narrow Woven Ribbons With Woven Selvedge From China and Taiwan

Determinations

On the basis of the record developed in the subject investigations, the United States International Trade Commission (Commission) determines, pursuant to sections 705(b) and 735(B) of the Tariff Act of 1930 (19 U.S.C. 1671d(b)) and (19 U.S.C. 1673d(b)) (the Act), that an industry in the United States is threatened with material injury by reason of imports of narrow woven ribbons with woven selvedge from China, principally provided for in subheading 5806.32 of the Harmonized Tariff Schedule of the United States, that the U.S. Department of Commerce ("Commerce") has determined are subsidized and sold in the United States at less than fair value ("LTFV"). The Commission further determines, pursuant to section 735(B) of the Act (19 U.S.C. 1677d(b)), that an industry in the United States is threatened with material injury by reason of imports of narrow woven ribbons with woven selvedge from Taiwan, primarily provided for in subheading 5806.32 of the Harmonized Tariff Schedule of the United States, that Commerce has determined are sold in the United States at LTFV. In addition, the Commission determines that it would not have found material injury but for the suspension of liquidation.

Background

The Commission instituted these investigations effective July 9, 2009, following receipt of a petition filed with the Commission and Commerce by Berwick Offray LLC and its wholly-owned subsidiary Lion Ribbon Company, Inc., Berwick, PA. The final phase of the investigations was scheduled by the Commission following notification of preliminary determinations by Commerce that imports of narrow woven ribbons with woven selvedge from China were subsidized within the meaning of section 703(b) of the Act (19 U.S.C. 1671b(b)) and that imports of narrow woven ribbons with woven selvedge from China and Taiwan were dumped within the meaning of 733(b) of the Act (19 U.S.C. 1673b(b)). Notice of the scheduling of the final phase of the Commission's investigations and of a public hearing to be held in connection therewith was given by posting copies of the notice in the Office of the Secretary, U.S. International Trade Commission, Washington, DC, and by publishing the notice in the Federal Register on March 12, 2010 (75 FR 11908). The hearing was held in Washington, DC, on July 15, 2010, and all persons who requested the opportunity were permitted to appear in person or by counsel.

The Commission transmitted its determinations in these investigations to the Secretary of Commerce on August 25, 2010. The views of the Commission are contained in USITC Publication 4180 (September 2010), entitled Narrow Woven Ribbons With Woven Selvedge From China and Taiwan: Investigation Nos. 701–TA–467 and 731–TA–1164–1165 (Final).

SUPPLEMENTARY INFORMATION:

Background.—On June 5, 1991, the Department of Commerce (Commerce) issued an antidumping duty order on imports of PET film from Korea (56 FR 25669). The original order was amended pursuant to final court decision on September 26, 1997 (62 FR 50557). Following first five-year reviews by Commerce and the Commission, effective March 7, 2000, Commerce issued a continuation of the antidumping duty order on imports of PET film from Korea (65 FR 11984). Following second five-year reviews by Commerce and the Commission, effective October 20, 2005, Commerce issued a continuation of the antidumping duty order on imports of PET film from Korea (70 FR 61118). The Commission is now conducting a third review to determine whether revocation of the order would be likely to lead to continuation or recurrence of material injury to the domestic industry within a reasonably foreseeable time. It will assess the adequacy of interested party responses to this notice of institution to determine whether to conduct a full review or an expedited review. The Commission’s determination in any expedited review will be based on the facts available, which may include information provided in response to this notice.

Definitions.—The following definitions apply to this review:

(1) **Subject Merchandise** is the class or kind of merchandise that is within the scope of the five-year review, as defined by the Department of Commerce.

(2) **The Subject Country** in this review is Korea.

(3) The **Domestic-Like Product** is the domestically produced product or products which are like, or in the absence of like, most similar in characteristics and uses with, the **Subject Merchandise**. In its original determination and its first and second expedited five-year review determinations, the Commission defined the Domestic-Like Product as all PET film, including equivalent PET film. One Commissioner defined the Domestic Like Product differently in the original investigation.

(4) The **Domestic Industry** is the U.S. producers as a whole of the Domestic-Like Product, or those producers whose collective output of the Domestic-Like Product constitutes a major proportion of the total domestic production of the product. In its original determination and its first and second expedited five-year review determinations, the Commission defined the Domestic Industry as all domestic producers of PET film, including equivalent PET film. One Commissioner defined the Domestic Industry differently.

(5) **An Importer** is any person or firm engaged, either directly or through a parent company or subsidiary, in importing the **Subject Merchandise** into the United States from a foreign manufacturer or through its selling agent.

**Participation in the review and public service list.**—Persons, including industrial users of the **Subject Merchandise** and, if the merchandise is sold at the retail level, representative consumer organizations, wishing to participate in the review as parties must file an entry of appearance with the Secretary to the Commission, as provided in section 201.11(b)(4) of the Commission’s rules, no later than 21 days after publication of this notice in the **Federal Register**. The Secretary will maintain a public service list containing the names and addresses of all persons, or their representatives, who are parties to the review.

Former Commission employees who are seeking to appear in Commission five-year reviews are advised that they may appear in a review even if they participated personally and substantially in the corresponding underlying original investigation. The Commission’s designated agency ethics official has advised that a five-year review is not considered the “same particular matter” as the corresponding underlying original investigation for purposes of 18 U.S.C. 207, the post employment statute for Federal employees, and Commission rule 201.15(b) (19 CFR 201.15(b)), 73 FR 24609 (May 5, 2008). This advice was developed in consultation with the Office of Government Ethics. Consequently, former employees are not required to seek Commission approval to appear in a review under Commission rule 19 CFR 201.15, even if the corresponding underlying original investigation was when they were Commission employees. For further ethics advice on this matter, contact Carol McCue Verratti, Deputy Agency Ethics Official, at 202–205–3088.

**Limited disclosure of business proprietary information (BPI) under an administrative protective order (APO) and APO service list.**—Pursuant to section 207.7(a) of the Commission’s rules, the Secretary will make BPI submitted in this review available to authorized applicants under the APO issued in the review, provided that the application is made no later than 21 days after publication of this notice in the **Federal Register**. Authorized applicants must represent interested parties, as defined in 19 U.S.C. 1677(9), who are parties to the review. A separate service list will be maintained by the Secretary for those parties authorized to receive BPI under the APO.

**Certification.**—Pursuant to section 207.3 of the Commission’s rules, any person submitting information to the Commission in connection with this review must certify that the information is accurate and complete to the best of the submitter’s knowledge. In making the certification, the submitter will be deemed to consent, unless otherwise specified, for the Commission, its employees, and contract personnel to use the information provided in any other reviews or investigations of the same or comparable products which the Commission conducts under Title VII of the Act, or in internal audits and investigations relating to the programs and operations of the Commission pursuant to 5 U.S.C. Appendix 3.

**Written submissions.**—Pursuant to section 207.61 of the Commission’s rules, each interested party response to this notice must provide the information specified below. The deadline for filing such responses is October 1, 2010. Pursuant to section 207.62(b) of the Commission’s rules, eligible parties (as specified in Commission rule 207.62(b)(1)) may also file comments concerning the adequacy of responses to the notice of institution and whether the Commission should conduct an expedited or full review. The deadline for filing such comments is November 15, 2010. All written submissions must conform with the provisions of sections 201.8 and 207.3 of the Commission’s rules and any submissions that contain BPI must also conform with the requirements of sections 201.6 and 207.7 of the Commission’s rules. The Commission’s rules do not authorize filing of submissions with the Secretary by facsimile or electronic means, except to the extent permitted by section 201.8 of the Commission’s rules, as amended, 67 FR 68036 (November 8, 2002).
in accordance with sections 201.16(c) and 207.3 of the Commission’s rules, each document filed by a party to the review must be served on all other parties to the review (as identified by either the public or APO service list as appropriate), and a certificate of service must accompany the document (if you are not a party to the review you do not need to serve your response).

Inability to provide requested information.—Pursuant to section 207.61(c) of the Commission’s rules, any interested party that cannot furnish the information requested by this notice in the requested form and manner shall notify the Commission at the earliest possible time, provide a full explanation of why it cannot provide the requested information, and indicate alternative forms in which it can provide equivalent information. If an interested party does not provide this notification (or the Commission finds the explanation provided in the notification inadequate) and fails to provide a complete response to this notice, the Commission may take an adverse inference against the party pursuant to section 776(b) of the Act in making its determination in the review.
