Freeze Warmwater Shrimp From Brazil, China, India, Thailand, and Vietnam

ACTION: Scheduling of full five-year reviews concerning the antidumping duty orders on frozen warmwater shrimp from Brazil, China, India, Thailand, and Vietnam.

SUMMARY: The Commission hereby gives notice of the scheduling of full reviews pursuant to section 751(c)(5) of the Tariff Act of 1930 (19 U.S.C. 1671d(c)(5)) (the Act) to determine whether revocation of the antidumping duty orders on frozen warmwater shrimp from Brazil, China, India, Thailand, and Vietnam would be likely to lead to continuation or recurrence of material injury within a reasonably foreseeable time. The Commission has determined that these reviews are extraordinarily complicated, and will therefore exercise its authority to extend its time for making its determinations by up to 90 days pursuant to 19 U.S.C. 1675(c)(5)(B). For further information concerning the conduct of these reviews and rules of general application, consult the Commission’s Rules of Practice and Procedure, part 201, subparts A through E (19 CFR part 201), and part 207, subparts A, D, E, and F (19 CFR part 207).

DATES: Effective Date: April 28, 2010.

By order of the Commission.

Humana Insurance Company, a Division Of Carenetwork, Inc., Green Bay, WI; Notice of Affirmative Determination Regarding Application for Reconsideration

By application dated August 23, 2010, petitioners requested administrative reconsideration of the negative determination regarding workers’ eligibility to apply for Trade Adjustment Assistance (TAA) applicable to workers and former workers of the subject ﬁrm. The determination was issued on August 13, 2010. The Notice of Determination was published in the Federal Register on August 30, 2010 (75 FR 52986). Workers are engaged in employment related to the supply of health insurance beneﬁts.

The negative determination applicable to workers and former workers at Humana Insurance Company, a Division of CareNetwork, Inc., Green Bay, Wisconsin was based on the ﬁndings that the subject ﬁrm did not, during the period under investigation, shift to a foreign country services like or directly competitive with the supply of health insurance beneﬁts provided by the workers or acquire these services from a foreign country; that the workers’ separation, or threat of separation, was not related to any increase in imports of like or directly competitive services; and that the workers did not supply a service that was directly used in the production of an article or the supply of service by a ﬁrm that employed a worker group that is eligible to apply for TAA based on the aforementioned article or service.

In the request for reconsideration, the petitioners provided additional information pertaining to a shift in services abroad.

The Department has carefully reviewed the request for reconsideration and the existing record and has determined that the Department will conduct further investigation to determine if the workers meet the eligibility requirements of the Trade Act of 1974.

Conclusion

After careful review of the application, I conclude that the claim is of sufﬁcient weight to justify reconsideration of the U.S. Department of Labor’s prior decision. The application is, therefore, granted.
