SECURITIES AND EXCHANGE COMMISSION

Program for Allocation of Regulatory Responsibilities Pursuant to Rule 17d–2; Notice of Filing of Proposed Plan for the Allocation of Regulatory Responsibilities Between the Financial Industry Regulatory Authority, Inc. and BATS–Y Exchange, Inc.

September 17, 2010.

Pursuant to Section 17(d) of the Securities Exchange Act of 1934 (“Act”), 1 and Rule 17d–2 thereunder, 2 notice is hereby given that on September 3, 2010, BATS–Y Exchange, Inc. (“BYX”) and the Financial Industry Regulatory Authority, Inc. (“FINRA”) (together with BYX, the “Parties”) filed with the Securities and Exchange Commission (”Commission”) a plan for the allocation of regulatory responsibilities, dated September 3, 2010 (“17d–2 Plan” or the “Plan”). The Commission is publishing this notice to solicit comments on the 17d–2 Plan from interested persons.

I. Introduction

Section 19(g)(1) of the Act, 3 among other things, requires every self-regulatory organization (“SRO”) registered as either a national securities exchange or national securities association to examine for, and enforce compliance with, its members and persons associated with its members with the Act, the rules and regulations thereunder, and the SRO’s own rules, unless the SRO is relieved of this responsibility pursuant to Section 17(d) or Section 19(g)(2) of the Act. 4 Without this relief, the statutory obligation of each individual SRO could result in a pattern of multiple examinations of broker-dealers that maintain memberships in more than one SRO ("common members"). Such regulatory duplication would add unnecessary expenses for common members and their SROs.

Section 17(d)(1) of the Act 5 was intended, in part, to eliminate unnecessary multiple examinations and regulatory duplication. 6 With respect to a common member, Section 17(d)(1) authorizes the Commission, by rule or order, to relieve an SRO of the responsibility to receive regulatory reports, to examine for and enforce compliance with applicable statutes, rules, and regulations, or to perform other specified regulatory functions.

To implement Section 17(d)(1), the Commission adopted two rules: Rule 17d–1 and Rule 17d–2 under the Act. 7 Rule 17d–1 authorizes the Commission to name a single SRO as the designated examining authority (“DEA”) to examine common members for compliance with the financial responsibility requirements imposed by the Act, or by Commission or SRO rules. 8 When an SRO has been named as a common member’s DEA, all other SROs to which the common member belongs are relieved of the responsibility to examine the firm for compliance with the applicable financial responsibility rules. On its face, Rule 17d–1 deals only with an SRO’s obligations to enforce member compliance with financial responsibility requirements. Rule 17d–1 does not relieve an SRO from its obligation to examine a common member for compliance with its own rules and provisions of the federal securities laws governing matters other than financial responsibility, including sales practices and trading activities and practices.

To address regulatory duplication in these and other areas, the Commission adopted Rule 17d–2 under the Act. 9 Rule 17d–2 permits SROs to propose joint plans for the allocation of regulatory responsibilities with respect to their common members. Under paragraph (c) of Rule 17d–2, the Commission may declare such a plan effective if, after providing for appropriate notice and comment, it determines that the plan is necessary or appropriate in the public interest and for the protection of investors; to foster cooperation and coordination among the SROs; to remove impediments to, and foster the development of, a national market system and a national clearance and settlement system; and is in conformity with the factors set forth in Section 17(d) of the Act. Commission approval of a plan filed pursuant to Rule 17d–2 relieves an SRO of those regulatory responsibilities allocated by the plan to another SRO.

II. Proposed Plan

The proposed 17d–2 Plan is intended to reduce regulatory duplication for firms that are common members of both BYX and FINRA. 10 Pursuant to the proposed 17d–2 Plan, FINRA would assume certain examination and enforcement responsibilities for common members with respect to certain applicable laws, rules, and regulations.

The text of the Plan delineates the proposed regulatory responsibilities with respect to the Parties. Included in the proposed Plan is an exhibit (the “BATS–Y Exchange Rules Certification Agreement with FINRA,” referred to herein as the “Certification”) that lists every BYX rule, and select federal securities laws, rules, and regulations, for which FINRA would bear responsibility under the Plan for overseeing and enforcing with respect to BYX members that are also members of FINRA and the associated persons therewith (“Dual Members”).

Specifically, under the 17d–2 Plan, FINRA would assume examination and enforcement responsibility relating to compliance by Dual Members with the rules of BYX that are substantially similar to the applicable rules of FINRA, 11 as well as any provisions of the federal securities laws and the rules and regulations thereunder delineated in the Certification (”Common Rules”). Common Rules would not include the application of any BYX rule or FINRA rule, or any rule or regulation under the Act, to the extent that it pertains to violations of insider trading activities, because such matters are covered by a separate multiparty agreement under Rule 17d–2. 12

10 The proposed 17d–2 Plan refers to these common members as “Dual Members.” See Paragraph (c) of the proposed 17d–2 Plan.

11 See paragraph 1(0) of the proposed 17d–2 Plan (defining Common Rules). See also paragraph 1(0) of the proposed 17d–2 Plan (defining Regulatory Responsibilities). Paragraph 2 of the Plan provides that annually, or more frequently as required by changes in either BYX rules or FINRA rules, the parties shall review and update, if necessary, the list of Common Rules. Further, paragraph 3 of the Plan provides that BYX shall furnish FINRA with a list of Dual Members, and shall update the list no less frequently than once each calendar quarter.
