suspend liquidation of all entries of copper pipe and tube from the PRC, as described in the “Scope of Investigation” section, entered, or withdrawn from warehouse, for consumption on or after May 12, 2010, the date of publication of the Preliminary Determination in the Federal Register. The Department will instruct CBP to require a cash deposit or the posting of a bond equal to the weighted-average amount by which the normal value exceeds U.S. price, as indicated above.

International Trade Commission Notification

In accordance with section 735(d) of the Act, the Department has notified the International Trade Commission (“ITC”) of the final affirmative determination of sales at LTFV. As the Department’s final determination is affirmative, in accordance with section 735(b)(2) of the Act, within 45 days the ITC will determine whether the domestic industry in the United States is materially injured, or threatened with material injury, by reason of imports or sales (or the likelihood of sales) for importation of the subject merchandise. If the ITC determines that material injury or threat of material injury does not exist, the proceeding will be terminated and all securities posted will be refunded or canceled. If the ITC determines that such injury does exist, the Department will issue an antidumping duty order directing CBP to assess, upon further instruction by the Department, antidumping duties on all imports of the subject merchandise entered, or withdrawn from warehouse, for consumption on or after the effective date of the suspension of liquidation.

Notification Regarding APO

This notice also serves as a reminder to the parties subject to administrative protective order (“APO”) of their responsibility concerning the disposition of proprietary information disclosed under APO in accordance with 19 CFR 351.305. Timely notification of return or destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and the terms of an APO is a sanctionable violation.

This determination is issued and published in accordance with sections 735(d) and 777(i)(1) of the Act.

DEPARTMENT OF COMMERCE

International Trade Administration

[A–552–802]

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

DATES: Effective Date: October 1, 2010.

SUMMARY: The Department of Commerce (“Department”) has determined that a request for a new shipper review (“NSR”) of the antidumping duty order on certain frozen warmwater shrimp (“shrimp”) from the Socialist Republic of Vietnam (“Vietnam”), received on August 26, 2010, meets the statutory and regulatory requirements for initiation. The period of review (“POR”) for this NSR is February 1, 2010–July 31, 2010.

SUPPLEMENTARY INFORMATION:

Background

The notice announcing the antidumping duty order on shrimp from Vietnam was published in the Federal Register on February 1, 2005.1 On August 26, 2010, pursuant to section 751(a)(2)(B)(i) of the Tariff Act of 1930, as amended (“Act”), and section 351.214(c) of the Department’s regulations, the Department received a NSR request from Quoc Viet Seaproduits Processing Trading and Import-Export Co., Ltd. (“Quoc Viet”). Quoc Viet’s request was properly made during August 2010, which is the semi-annual anniversary of the Order. Quoc Viet certified that it is a producer and exporter of the subject merchandise upon which the request was based.

Pursuant to section 751(a)(2)(B)(i)(I) of the Act and section 351.214(b)(2)(i) of the Department’s regulations, Quoc Viet

1 See Notice of Amended Final Determination of Sales at Less Than Fair Value and Antidumping Duty Order: Certain Frozen Warmwater Shrimp From the Socialist Republic of Vietnam, 70 FR 5152 (February 1, 2005) (“Order”).
certified that it did not export subject merchandise to the United States during the period of investigation ("POI"). In addition, pursuant to section 751(a)(2)(B)(i)(III) of the Act and section 351.214(b)(2)(iii)(A) of the Department’s regulations, Quoc Viet certified that, since the initiation of the investigation, it has never been affiliated with any Vietnamese exporter or producer who exported subject merchandise to the United States during the POI, including those respondents not individually examined during the investigation. As required by section 351.214(b)(2)(iii)(B) of the Department’s regulations, Quoc Viet also certified that its export activities were not controlled by the central government of Vietnam.

In addition to the certifications described above, pursuant to section 351.214(b)(2)(iv) of the Department’s regulations, Quoc Viet submitted documentation establishing the following: (1) The date on which Quoc Viet first shipped subject merchandise for export to the United States and; (2) the volume of its first shipment; and (3) the date of its first sale to an unaffiliated customer in the United States.2

**Initiation of New Shipper Review**

Pursuant to section 751(a)(2)(B) of the Act and section 351.214(d)(1) of the Department’s regulations, we find that the request submitted by Quoc Viet meets the threshold requirements for initiation of a NSR for shipments of shrimp from Vietnam produced and exported by Quoc Viet.3 The POR is February 1, 2010–July 31, 2010.4 The Department intends to issue the preliminary results of this NSR no later than 180 days from the date of initiation, and the final results no later than 270 days from the date of initiation.5

It is the Department’s usual practice, in cases involving non-market economies, to require that a company seeking to establish eligibility for an antidumping duty rate separate from the NME entity-wide rate provide evidence of de jure and de facto absence of government control over the company’s export activities. Accordingly, we will issue questionnaires to Quoc Viet, which will include a section requesting information with regard to Quoc Viet’s export activities for separate rate purposes. The NSR will proceed if the response provides sufficient indication that Quoc Viet is not subject to either de jure or de facto government control with respect to its export of subject merchandise.

We will instruct U.S. Customs and Border Protection to allow, at the option of the importer, the posting, until the completion of the review, of a bond or security in lieu of a cash deposit for each entry of the subject merchandise from Quoc Viet in accordance with section 751(a)(2)(B)(iii) of the Act and section 351.214(e) of the Department’s regulations. Because Quoc Viet certified that it both produced and exported the subject merchandise, the sale of which is the basis for this new shipper review request, we will apply the bonding privilege to Quoc Viet only for subject merchandise which Quoc Viet both produced and exported.

Interested parties requiring access to proprietary information in this NSR should submit applications for disclosure under administrative protective order in accordance with sections 351.305 and 351.306 of the Department’s regulations.

This initiation and notice are in accordance with section 751(a)(2)(B) of the Act and sections 351.214 and 351.221(c)(1)(i) of the Department’s regulations.

Susan H. Kuhbach,
Acting Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations.
