Agency Information Collection Activities: Proposed Collection; Comments Requested

The Department of Justice (DOJ), Bureau of Alcohol, Tobacco, Firearms and Explosives (ATF), will be submitting the following information collection request to the Office of Management and Budget (OMB) for review and approval in accordance with the Paperwork Reduction Act of 1995. The proposed information collection is published to obtain comments from the public and affected agencies. Comments are encouraged and will be accepted for “sixty days” until December 20, 2010. This process is conducted in accordance with 5 CFR 1320.10.

If you have comments especially on the estimated public burden or associated response time, suggestions, or need a copy of the proposed information collection instrument with instructions or additional information, please contact Christopher Reeves, Chief, Federal Explosives Licensing Center, 244 Needy Road, Martinsburg, WV 25405.

Written comments and suggestions from the public and affected agencies concerning the proposed collection of information are encouraged. Your comments should address one or more of the following four points:

I. Abstract

This information collection is an application form to be considered for a summer internship. Students are required to submit an application package consisting of an application...
form, a personal essay describing career goals, a parent/guardian permission form for parents to sign approving the child’s participation, and a teacher recommendation.

II. Method of Collection

NASA will utilize a Web-based application form with instructions and other application materials also on-line. However, once the application form and other application materials are down loaded and filled out, the package is mailed in to NASA.
