### Notice of Lodging of First Amendment to Consent Decree Under the Clean Water Act

Notice is hereby given that on October 21, 2010, a proposed First Amendment to Consent Decree ("First Amendment") in *United States and State of Ohio v. City of Toledo, Ohio*, Civil Action No. 3:91:CV7646, was lodged with the United States District Court for the Northern District of Ohio.

In this action, on December 17, 2002, the Court approved and entered a Consent Decree between the United States and State of Ohio as plaintiffs and the City of Toledo ("Toledo") as defendant, which required Toledo, among other matters, to develop and obtain approval from the United States and Ohio Environmental Protection Agencies ("EPA" and "Ohio EPA"), and, once approved, implement a long term control plan to reduce its discharges of combined sanitary sewage and stormwater into the Maumee and Ottawa Rivers and Swan Creek. The Consent Decree also required Toledo to make major improvements to and increase the capacity of its wastewater treatment plant. The First Amendment recognizes EPA and Ohio EPA's approval of Toledo's long term control plan and makes certain changes to Toledo's requirements to construct improvements at its wastewater treatment plant. In addition, the First Amendment requires Toledo to perform a study that evaluates how effectively Toledo's wet weather treatment facility, built pursuant to the Consent Decree, eliminates pathogens from the wastewater being treated.

The Department of Justice will receive for a period of thirty (30) days from the date of this publication comments relating to the First Amendment. Comments should be addressed to the Assistant Attorney General, Environment and Natural Resources Division, and either e-mailed to [pubcomment-ees.enrd@usdoj.gov](mailto:pubcomment-ees.enrd@usdoj.gov) or mailed to P.O. Box 7611, U.S. Department of Justice, Washington, DC 20044-7611, and should refer to *United States and State of Ohio v. City of Toledo, Ohio*, D.J. Ref. 90-5-1-1-3554.

The First Amendment may be examined at the Office of the United States Attorney, Four Seagate, Suite 308,

Toledo, OH 43604, and at U.S. EPA Region 5, 77 West Jackson Blvd., Chicago, IL 60604. During the public comment period, the First Amendment may also be examined on the following Department of Justice Web site, to [http://www.usdoj.gov/enrd/Consent\\_Decrees.html](http://www.usdoj.gov/enrd/Consent_Decrees.html). A copy of the First Amendment may also be obtained by mail from the Consent Decree Library, P.O. Box 7611, U.S. Department of Justice, Washington, DC 20044-7611 or by faxing or e-mailing a request to Tonia Fleetwood ([tonia.fleetwood@usdoj.gov](mailto:tonia.fleetwood@usdoj.gov)), fax no. (202) 514-0097, phone confirmation number (202) 514-1547. In requesting a copy from the Consent Decree Library, please enclose a check in the amount of \$ 4.00 (25 cents per page reproduction cost) payable to the U.S. Treasury or, if by e-mail or fax, forward a check in that amount to the Consent Decree Library at the stated address.

**ACTION:** Notice.

**SUMMARY:** The Department of Labor (DOL) hereby announces submission of the Occupational Safety and Health Administration (OSHA) sponsored information collection request (ICR), “Hydrostatic Testing Provision of the Standard on Portable Fire Extinguishers,” to the Office of Management and Budget (OMB) for review and approval for continued use in accordance with the Paperwork Reduction Act of 1995 (PRA), Public Law 104-13, 44 U.S.C. chapter 35.

**DATES:** Submit comments on or before November 29, 2010.

**ADDRESSES:** A copy of this ICR, with applicable supporting documentation; including a description of the likely respondents, proposed frequency of response, and estimated total burden may be obtained from the RegInfo.gov Web site, <http://www.reginfo.gov/public/do/PRAMain> or by contacting Michel Smyth by telephone at 202-693-4129 (this is not a toll-free number) or sending an e-mail to [DOL\\_PRA\\_PUBLIC@dol.gov](mailto:DOL_PRA_PUBLIC@dol.gov).

Submit comments about this request to the Office of Information and Regulatory Affairs, Attn: OMB Desk Officer for the Department of Labor, Occupational Safety and Health Administration (OSHA), Office of Management and Budget, Room 10235, Washington, DC 20503, Telephone: 202-395-6881/Fax: 202-395-5806

(these are not toll-free numbers), e-mail: [OIRA\\_submission@omb.eop.gov](mailto:OIRA_submission@omb.eop.gov).

**FOR FURTHER INFORMATION CONTACT:** Contact Michel Smyth by telephone at 202-693-4129 (this is not a toll-free number) or by e-mail at [DOL\\_PRA\\_PUBLIC@dol.gov](mailto:DOL_PRA_PUBLIC@dol.gov).

**SUPPLEMENTARY INFORMATION:** The DOL is seeking OMB reauthorization of the recordkeeping requirements related to the hydrostatic testing provision of the standard on portable fire extinguishers. More specifically, as evidence of completing the test, it is mandatory for the person performing the test to record his or her name, the date of the test, and the identifier of the extinguisher tested.

This recordkeeping requirement constitutes an information collection within the meaning of the PRA. A Federal agency generally cannot conduct or sponsor a collection of information, and the public is generally not required to respond to an information collection, unless it is currently approved by the OMB under the PRA and displays a currently valid OMB Control Number. In addition, notwithstanding any other provisions of law, no person shall generally be subject to penalty for failing to comply with a collection of information if the collection of information does not display a currently valid OMB Control Number. See 5 CFR 1320.5(a) and 1320.6.

The DOL obtains approval for this information collection under OMB Control Number 1218-0218, and the current approval is scheduled to expire on October 31, 2010. For additional information, see the related notice published in the **Federal Register** on August 11, 2010 (75 FR 48728).

The DOL, as part of its continuing effort to reduce paperwork and respondent burden, submits information collections for OMB consideration after conducting a preclearance consultation program to provide the public with an opportunity to comment on proposed and continuing information collection requirements in accordance with the PRA. See 44 U.S.C. 3506(c)(2)(A). This program ensures that information is in the desired format, reporting burden (time and cost) is minimal, collection instruments are clearly understood, and the estimate of the information collection burden is accurate.

Interested parties are encouraged to send comments to the OMB, Office of Information and Regulatory Affairs at the address shown in the **ADDRESSES** section within 30 days of publication of this notice in the **Federal Register**. In order to ensure appropriate consideration, comments should
