FEDERAL ENERGY REGULATORY COMMISSION

[Docket Nos. CP11–33–000; PF10–15–000]

Leader One Energy, LLC; Notice of Application

November 23, 2010

Take notice that on November 15, 2010, Leader One Energy, LLC (Leader One), 4643 South Ulster Street, Suite 1100, Denver, Colorado 80237, filed in Docket No. CP11–33–000 an application pursuant to Section 7(c) of the Natural Gas Act (NGA) seeking authorization to construct and operate the Leader One Gas Storage Project in Adams County, Colorado. Specifically, Leader One requests authorization to: (1) Convert a depleted natural gas field to storage; (2) construct a new 18,000 horsepower (hp) compressor station comprising of four 4,500 hp electric driven compressors; and (3) construct a 22.4 mile header to interconnect with Colorado Interstate Gas Company. Additionally, Leader One requests a blanket certificates pursuant to parts 157 and 284 of the commission’s regulations and authorization to provide storage and hub services at market based rates, all as more fully set forth in the application, which is on file with the Commission and open to public inspection. This filing may also be viewed on the web at http://www.ferc.gov using the “eLibrary”
Protest. The Commission will consider these comments in determining the appropriate action to be taken, but the filing of a comment alone will not serve to make the filer a party to the proceeding. The Commission’s rules require that persons filing comments in opposition to the project provide copies of their protests only to the party or parties directly involved in the protest.

Persons who wish to comment only on the environmental review of this project should submit an original and two copies of their comments to the Secretary of the Commission. Environmental commenters will be placed on the Commission’s environmental mailing list, will receive copies of the environmental documents, and will be notified of meetings associated with the Commission’s environmental review process. Environmental commenters will not be required to serve copies of filed documents on all other parties. However, the non-party commenters will not receive copies of all documents filed by other parties or issued by the Commission (except for the mailing of environmental documents issued by the Commission) and will not have the right to seek court review of the Commission’s final order.

The Commission strongly encourages electronic filings of comments, protests and interventions in lieu of paper using the “eFiling” link at http://www.ferc.gov. Persons unable to file electronically should submit an original and 14 copies of the protest or intervention to the Federal Energy Regulatory Commission, 888 First Street, NE, Washington, DC 20426. See, 18 CFR 385.2001(a)(1)(iii) and the instructions on the Commission’s Web site under the “e-Filing” link.

Comment Date: December 14, 2010.
