Standards Governing the Release of a Suspicious Activity Report

AGENCY: Office of Thrift Supervision, Treasury.
I. Introduction

On March 9, 2009, the Office of Thrift Supervision (OTS) issued a notice of proposed rulemaking to revise its regulations governing the release of unpublished OTS information. The primary change clarifies that the OTS’s decision to release a Suspicious Activity Report (SAR) is governed by the standards set forth in amendments to the OTS’s SAR regulation that are part of a separate, but simultaneous, rulemaking.

DATES: The final rule is effective January 3, 2011.

II. Final Rule

A. Overview

OTS is amending its regulations set forth in 12 CFR part 510, governing the release of unpublished OTS information. First, the amendments conform section 510.5 to amendments to the OTS’s SAR confidentiality rule, 12 CFR 563.180 that are being adopted as part of a separate, but simultaneous, rulemaking that the OTS is conducting. Under the standards that the OTS is incorporating into section 510.5, the OTS will only release a SAR, or any information that reveals the existence of a SAR (referred to in this preamble as “SAR information”), when “necessary to fulfill official duties consistent with Title II of the Bank Secrecy Act (BSA).” The effect of these amendments is that the OTS will not release SAR information in response to a request from a private litigant arising out of a civil lawsuit or administrative proceeding to which the OTS is not a party. The Director also will not disclose SAR information to any other person or entity, and the OTS will not release SAR information in response to a request by another government agency, except to fulfill official duties in light of the purposes of the BSA.

This final rule amends part 510 to make it consistent with the amendments to OTS’s SAR regulation that implements section 351 of the USA PATRIOT Act, thus ensuring that the appropriate standard is applied to OTS’s disclosure of SAR information. Section 510.5 sets forth OTS’s standards and procedures for the release of “unpublished OTS information,” and sets forth the restrictions on the dissemination of such information. Generally, “unpublished OTS information” is confidential and privileged information that is the property of the OTS, and that the OTS is not required to release under the Freedom of Information Act (5 U.S.C. 552 et seq.) or that the OTS has not yet published or made available pursuant to 12 U.S.C. 1818(u), the statute requiring publication of certain enforcement orders.

Section 510.5 describes procedures for requesting unpublished OTS information from the OTS, such as, where to submit a request, the form of the request, information that must be included in any request involving an adversarial matter, and various bases for the OTS’s denial of such a request. Section 510.5 authorizes the OTS to make unpublished OTS information available to a supervised entity and to other persons, at the sole discretion of the Director or his or her delegate. Section 510.5(d)(3) also indicates that the OTS may condition release of information that it discloses under this section.

Although a SAR may be considered “unpublished OTS information,” it is the OTS’s position that the release of a SAR must be governed by standards set forth in the BSA. The BSA and its implementing regulations require a financial institution to file a SAR when it detects a known or suspected violation of Federal law or a suspicious activity related to money laundering, terrorist financing, or other criminal activity. The BSA also provides that a financial institution, and its officers, directors, employees, and agents are prohibited from notifying any person involved in a suspicious transaction that the transaction was reported. Most importantly, in 2001, section 351 of the USA PATRIOT Act added a new provision to the BSA prohibiting officers or employees of the Federal government or any State, local, tribal, or territorial government within the United States from disclosing to any person involved in a suspicious transaction that the transaction was reported, other than as necessary to fulfill the official duties of such officer or employee. Accordingly, it is this provision that now governs the ability of the OTS to disclose SAR information to any person.

The OTS is revisiting the treatment of SAR information in section 510.5 in light of the 2001 amendments to the BSA, added by section 351 of the USA PATRIOT Act that specifically addresses governmental disclosures of SARs. Under the amendments to section 510.5, the OTS will decide whether to release SAR information based upon the standard in the OTS’s amendments to its SAR rules, 12 CFR 563.180, implementing section 351, thereby replacing the factors previously set out in section 510.5(d). The standard in the amendments to the OTS’s SAR rule provides that “Neither OTS (nor any officer, employee or agent of OTS, shall disclose a SAR, or any information that will reveal the existence of a SAR except as necessary to fulfill official duties consistent with Title II of the BSA.” In addition, the standard provides that “official duties” shall not include the disclosure of SAR information in response to a request for use in a private legal proceeding or in response to a request for disclosure of non-public information under 12 CFR 510.5.

[31 U.S.C. 5318(g)(1).]

3 The phrase “any person involved in the transaction” has been construed to apply to “any person” because the disclosure of SAR information to any outside party may make it likely that SAR information would be disclosed to a person involved in the transaction, which is absolutely prohibited by the BSA. See Cotton v. Private Bank and Trust Co., 235 F. Supp. 2d 809, 813 (N.D. Ill. 2002).

4 See 31 U.S.C. 5318(g)(1).

6 For purposes of this provision “official duties” means official disclosures necessary to accomplish a governmental purpose consistent with Title II of the BSA entrusted to the agency, the officer or employee. For example, prosecutorial disclosures mandated by statute or the Constitution, such as a statement of a government witness to be called at trial, impeachment of a government witness, or material exculpatory of a criminal defendant. See, e.g., Giglio v. United States, 405 U.S. 150, 153–54

7 See 12 CFR 510.5.

8 See 12 CFR 510.5.

9 See 12 CFR 510.5(d).
SAR rules interpret “official duties” to mean “official duties consistent with the purposes of Title II of the BSA,” namely, for “criminal, tax, regulatory investigations or proceedings, or in the conduct of intelligence or counterintelligence activities, including analysis, to protect against international terrorism.”

This standard will permit disclosures responsive to a grand jury subpoena; a request from an appropriate Federal or State law enforcement or regulatory agency; and prosecutorial disclosures mandated by statute or the Constitution, in connection with the statement of a government witness to be called at trial, the impeachment of a government witness, or as material exculpatory of a criminal defendant.

11 As described earlier, § 510.5 does not apply to SAR information.
2. Amend §510.5 by:
   a. Removing, at the end of paragraph (a)(3)(ii), the word “and”;
   b. Removing, at the end of paragraph (a)(3)(iii), the period and adding “; and” in its place;
   c. Adding paragraph (a)(3)(iv) to read as set forth below;
   d. Removing, at the end of paragraph (d)(4)(i)(C), the word “or”;
   e. Removing, at the end of paragraph (d)(4)(i)(D) the period and adding “; and” in its place; and
   f. Adding paragraph (d)(4)(i)(E) as set forth below.

§510.5 Release of unpublished OTS information.

Confidentiality of Suspicious Activity Reports

AGENCY: The Office of Thrift Supervision, Treasury (OTS).

ACTION: Final rule.

SUMMARY: The OTS is issuing this final rule to amend its regulations implementing the Bank Secrecy Act (BSA) governing the confidentiality of a suspicious activity report (SAR) to:
   1. Clarify the scope of the statutory prohibition on the disclosure by a financial institution of a SAR, as it applies to savings associations and service corporations; address the statutory prohibition on the disclosure by the government of a SAR, as that prohibition applies to the OTS’s standards governing the disclosure of SARs; clarify that the exclusive standard applicable to the disclosure of a SAR, or any information that would reveal the existence of a SAR, by the OTS is to fulfill official duties consistent with the purposes of the BSA; and modify the safe harbor provision in the OTS’s SAR rules to include changes made by the Uniting and Strengthening America by Providing Appropriate Tools Required to Intercept and Obstruct Terrorism (USA PATRIOT) Act. These amendments are consistent with a final rule being contemporaneously issued by the Financial Crimes Enforcement Network (FinCEN) and the Office of Comptroller of the Currency (OCC).

SUPPLEMENTARY INFORMATION:
I. Background
   The BSA requires financial institutions, including savings associations and service corporations regulated by the OTS, to keep certain records and make certain reports that have been determined to be useful in criminal, tax, or regulatory investigations or proceedings, and for intelligence or counter intelligence activities to protect against international terrorism. In particular, the BSA and its implementing regulations require a financial institution to file a SAR when it detects a known or suspected activity related to money laundering, terrorist financing, or other criminal activity.1

SARs are used for law enforcement or regulatory purposes to combat terrorism, terrorist financing, money laundering and other financial crimes. For this reason, the BSA provides that a financial institution, and its officers, directors, employees, and agents are prohibited from notifying any person involved in a suspicious transaction that the transaction was reported.2 To encourage the voluntary reporting of possible violations of law and regulation, and the filing of SARs, the BSA also contains a safe harbor provision, which shields financial institutions making such reports from civil liability.

FinCEN3 has issued rules implementing the SAR confidentiality provisions for various types of financial institutions that closely mirror the statutory language.4 In addition, the Federal bank regulatory agencies implemented these provisions through similar regulations that provide SARs are confidential and generally no information about or contained in a SAR may be disclosed.5 The regulations issued by FinCEN and the Federal bank regulatory agencies also describe the applicability of the safe harbor provision to both voluntary reports of possible and known violations of law and the required filing of SARs.6

The USA PATRIOT Act of 2001 strengthened the confidentiality of SARs by adding to the BSA a new provision that prohibits officers or employees of the Federal Government or any State, local, tribal, or territorial government within the United States with knowledge of a SAR, from disclosing to any person involved in a suspicious transaction that the transaction was reported, other than as necessary to fulfill the official duties of such officer or employee.7 The USA PATRIOT Act also clarified that the safe harbor provision to financial institutions from liability covers voluntary disclosures of possible violations of law and regulations to a government agency and expanded the scope of the limit on liability to cover any civil liability that
