OMB Control Number: 2900–0065.

Type of Review: Extension of a currently approved collection.

Abstract: VA Form 21–4192 is used to request employment information from a claimant’s employer. The collected data is used to determine the claimant’s eligibility for increased disability benefits based on unemployability.

An agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a currently valid OMB control number. The Federal Register Notice with a 60-day comment period soliciting comments on this collection of information was published on October 4, 2010, at pages 61248–61249. The Department of Veterans Affairs (VA) published a collection of information notice in the Federal Register on December 7, 2010, that contained errors. The notice incorrectly identified the responsible VA organization. This document corrects that error by removing in two places “Veterans Benefits Administration” and adding, in each place, “National Cemetery Administration”.
