maintain redacted portions of the contract and supporting documents under seal.

In the Statement of Supporting Justification, Josen Punnoose, Manager, Shipping Support (A), Shipping Services, asserts that the service to be provided under the contract will cover its attributable costs, make a positive contribution to institutional costs, and increase contribution toward the requisite 5.5 percent of the Postal Service’s total institutional costs. Id., Attachment D. Thus, Mr. Punnoose contends there will be no issue of subsidization of competitive products by market dominant products as a result of this contract. Id.

Related contract. A redacted version of the specific Priority Mail Contract 30 is included with the Request. The contract will become effective on the day that the Commission provides all necessary regulatory approvals. The contract states it “shall expire 3 years from the effective date, unless (1) terminated by either Party with 30 days notice to the other Party in writing * * *.” The Postal Service represents that the contract is consistent with 39 U.S.C. 3633(a). Id., Attachment D.

The Postal Service filed much of the supporting materials, including the specific Priority Mail Contract 30, under seal. It maintains that the contract and related financial information, including the customer’s name and the accompanying analyses that provide prices, terms, conditions, cost data, and financial projections should remain under seal. Id., Attachment F. It also requests that the Commission order that the duration of such treatment of all customer-identifying information be extended indefinitely, instead of ending after 10 years. Id. at 7.

Interested persons may submit comments on whether the Postal Service’s filings in the captioned dockets are consistent with the policies of 39 U.S.C. 3632, 3633, or 3642 and 39 CFR part 3015 and 39 CFR 3020, subpart B.
