is included with the Request. The contract will become effective on the day that the Commission provides all necessary regulatory approvals. The contract states it “shall expire 3 years from the effective date, unless (1) terminated by either Party with 30 days notice to the other Party in writing * * * .” The Postal Service represents that the contract is consistent with 39 U.S.C. 3633(a). See id., Attachment D.

The Postal Service filed much of the supporting materials, including the specific Priority Mail Contract 32, under seal. It maintains that the contract and related financial information, including the customer’s name and the accompanying analyses that provide prices, terms, conditions, cost data, and financial projections should remain under seal. See id., Attachment F. It also requests that the Commission order that the duration of such treatment of all customer-identifying information be extended indefinitely, instead of ending after 10 years. Id. at 7.

I. Introduction

Pursuant to 39 U.S.C. 3642 and 39 CFR 3020.30 et seq., the Postal Service filed a formal request and associated supporting information to add Express Mail Contract 10 to the competitive product list.1 The Postal Service asserts that Express Mail Contract 10 is a competitive product “not of general applicability” within the meaning of 39 U.S.C. 3632(b)(3). Id. at 1. The Postal Service states that the prices and classification underlying this contract are supported by Governors’ Decision No. 09–14 in Docket No. MC2010–5 and CP2010–5. Id. The Request has been assigned Docket No. MC2011–12. The Postal Service contemporaneously filed a contract related to the proposed new product pursuant to 39 U.S.C. 3632(b)(3) and 39 CFR 3015.5. The contract has been assigned Docket No. CP2011–48. Request. In support of its Request, the Postal Service filed six attachments as follows:

• Attachment A—a redacted copy of Governors’ Decision No. 09–14, originally filed in Docket No. MC2010–5, authorizing certain Express Mail contracts;

• Attachment B—a redacted copy of the contract;

• Attachment C—a proposed change in the Mail Classification Schedule competitive product list;

• Attachment D—a Statement of Supporting Justification as required by 39 CFR 3020.32;

• Attachment E—a certification of compliance with 39 U.S.C. 3633(a); and

• Attachment F—an application for non-public treatment of materials to maintain redacted portions of the contract and supporting documents under seal.

In the Statement of Supporting Justification, Josen Punnoose, Manager, Shipping Support (A), Shipping Services, asserts that the service to be provided under the contract will cover its attributable costs, make a positive contribution to institutional costs, and increase contribution toward the requisite 5.5 percent of the Postal Service’s total institutional costs. Id., Attachment D. Thus, Mr. Punnoose contends there will be no issue of subsidization of competitive products by market dominant products as a result of this contract. Id.

Related contract. A redacted version of the specific Express Mail Contract 10 is included with the Request. The contract will become effective the day that the Commission provides all necessary regulatory approvals. The contract states it “shall expire 3 years from the effective date, unless (1) terminated by either Party with 30 days notice to the other Party in writing * * * .” The Postal Service represents that the contract is consistent with 39 U.S.C. 3633 (a). See id., Attachment D.

The Postal Service maintains that the contract and related financial information, including the customer’s name and the accompanying analyses that provide prices, terms, conditions, cost data, and financial projections, should remain under seal. See id., Attachment F. It also requests that the Commission order that the duration of such treatment of all customer-identifying information be extended indefinitely, instead of ending after 10 years. Id. at 7.

RAILROAD RETIREMENT BOARD

Agency Forms Submitted for OMB Review, Request for Comments

Summary: In accordance with the Paperwork Reduction Act of 1995 (44 U.S.C. chapter 35), the Railroad Retirement Board (RRB) is submitting five (5) Information Collection Requests (ICR) to the Office of Information and Regulatory Affairs (OIRA), Office of Management and Budget (OMB). Our ICR(s) describe the information we seek to collect from the public. Review and approval by OIRA ensures that we impose appropriate paperwork burdens.

The RRB invites comments on the proposed collections of information to determine (1) the practical utility of the collections; (2) the accuracy of the estimated burden of the collections; (3) ways to enhance the quality, utility and clarity of the information that is the subject of collection; and (4) ways to minimize the burden of collections on respondents, including the use of automated collection techniques or other forms of information technology.

Comments to RRB or OIRA must contain (1) the title and purpose of information collection; (2) the accuracy of the information; (3) ways to enhance the quality, utility and clarity of the information that is the subject of the collection; and (4) ways to minimize the burden of collections on respondents.

Information Collection Request (ICR)

Title: Employer Reporting.

OMB Control Number: 3220–0005.

Form(s) submitted: AA–12, G–88A.1, G–88A.2, BA–6a (Internet) and electronic equivalents.

Type of request: Extension without change of a currently approved collection.

Affected public: Business or other for-profit, Individuals or Households.

Abstract: Under the Railroad Retirement Act and the Railroad Unemployment Insurance Act, railroad employers are required to report service and compensation for employees needed to determine eligibility. Form AA–12 obtains a report of lag service and compensation from the last railroad employer of a deceased employee. This report covers the lag period between the date of the latest record of employment processed by the RRB and the date an employee last worked, the date of death or the date the employee may have been entitled to benefits under the Social Security Act. The information is used by the RRB to determine benefits due on the deceased employee’s earnings record. The RRB proposes no changes to Form AA–12, Form G–88A.1 and Form G–88A.2.

In addition, 20 CFR 209.12(b) requires all railroad employers to furnish the RRB with the home addresses of all employees hired within the last year (new-hires). Form BA–6a, Form BA–6 Address Report, is used by the RRB to obtain home address information of employees from railroad employers that do not have the home address information computerized and who submit the information in a paper format. The form also serves as an instruction sheet to railroad employers who can also submit the information electronically by magnetic tape cartridge, CD–ROM, secure e-mail, or via the Internet utilizing the RRB’s Employer Reporting System (ERS). Completion of the forms is mandatory. One response is requested of each respondent. The RRB proposes no changes to Form BA–6a.
