SUMMARY:

Background

The Federal Reserve may not conduct or sponsor, and the respondent is not required to respond to, an information collection that has been extended, revised, or implemented on or after October 1, 1995, unless it displays a currently valid OMB control number.

OMB Desk Officer—Shagufta Ahmed—Office of Information and Regulatory Affairs, Office of Management and Budget, New Executive Office Building, Room 10235, Washington, DC 20503.

The Report of Net Debit Cap comprises three resolutions, which are filed by a depository institution’s board of directors depending on its needs. The first resolution is used to establish a de minimis net debit cap and the second resolution is used to establish a self-assessed net debit cap. The third resolution is used to establish simultaneously a self-assessed net debit cap and maximum daylight overdraft capacity. Copies of the model resolutions are located in Appendix B, of the PSR policy, that can be found at http://www.federalreserve.gov/paysystems/psr_repolitics.htm.
