about the growing or bottling conditions of wine. In that notice, TTB invited comments from industry members, consumers, and other interested parties as to whether and to what extent it should propose specific regulatory amendments for further public comment. TTB requested such comments on or before January 3, 2011.

TTB received a letter dated December 14, 2010, from attorney Richard Mendelson on behalf of the Napa Valley Vintners (NVV), a trade association representing nearly 400 wineries Napa Valley, California. The letter noted that NVV has formed a sub-committee to research and poll the NVV’s members regarding the issues raised in Notice No. 109. The letter stated that the sub-committee’s work would ultimately be reviewed by the NVV’s Board of Directors, which only meets once a month. The letter therefore requested a 90-day extension of the comment period for Notice No. 109 in order to allow time for NVV to fully consider its response to the notice.

In response to this request, TTB extends the comment period for Notice No. 109 an additional 60 days, which TTB believes provides adequate time to comment on the issues raised in Notice No. 109. Therefore, comments on Notice No. 109 are now due on or before March 4, 2011.

**SUPPLEMENTARY INFORMATION:**

In Notice No. 111 published in the Federal Register (75 FR 67669) on Wednesday, November 3, 2010, TTB proposed to revise its regulations to require the disclosure of the presence of cochineal extract and carmine on the labels of any alcohol beverage product containing one or both of these color additives. This proposed rule responded to a recent final rule issued by the Food and Drug Administration as well as reports of severe allergic reaction, including anaphylaxis, to cochineal extract and carmine-containing foods. This proposal would allow consumers who are allergic to cochineal extract or carmine to identify and thus avoid alcohol beverage products that contain these color additives. TTB requested comments on the proposal on or before January 3, 2011.

TTB received a letter dated December 17, 2010, from attorney Lynne J. Omlie on behalf of the Distilled Spirits Council of the United States, Inc. (DISCUS), a national trade association that represents producers and marketers of distilled spirits and importers of wines sold in the United States. The letter explained that because DISCUS is in the process of collecting information from domestic and foreign companies, regarding alcohol beverage products that may be impacted by the Notice No. 111 proposal, the organization would be unable to meet the original January 3, 2011, comment deadline prescribed in Notice No. 111. The letter therefore requested a 60-day extension of the comment period for Notice No. 111 to allow DISCUS the necessary time to collect and review this data and provide a comment that addresses the issues raised in the proposal.

In response to this request TTB extends the comment period for Notice No. 111 an additional 60 days. Therefore, the comments on Notice No. 111 are now due on or before March 4, 2011.
