CERTAIN POLYESTER STAPLE FIBER FROM TAIWAN: EXTENSION OF TIME LIMIT FOR PRELIMINARY RESULTS OF ANTIDUMPING DUTY ADMINISTRATIVE REVIEW
AGENCY: Import Administration, International Trade Administration, Department of Commerce.
DATES: Effective Date: January 31, 2011.
FOR FURTHER INFORMATION CONTACT: Michael A. Romani, AD/CVD Operations, Office 5, Import
Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution
Avenue, NW., Washington, DC 20230; telephone: (202) 482–0198.
SUPPLEMENTARY INFORMATION:
Background
At the request of interested parties, the Department of Commerce (the
Department) initiated an administrative review of the antidumping duty order
on certain polyester staple fiber from Taiwan for the period May 1, 2009,
through April 30, 2010. See Initiation of Antidumping and Countervailing Duty
Administrative Reviews and Requests for Revocation in Part, 75 FR 37759
(June 30, 2010). The preliminary results are currently due no later than January
31, 2011.
Extension of Time Limit for Preliminary Results
Section 751(a)(3)(A) of the Tariff Act of 1930, as amended (the Act), requires the
Department to make a preliminary determination within 245 days after the
last day of the anniversary month of an order for which a review is requested
and a final determination within 120 days after the date on which the
preliminary determination is published in the Federal Register. If it is not
practicable to complete the review within these time periods, section 751(a)(3)(A)
of the Act allows the Department to extend the time limit for the
preliminary determination to a maximum of 365 days after the last day of
the anniversary month.
We determine that it is not practicable to complete the preliminary results of
this review by the current deadline of January 31, 2011, because we require
additional time to obtain additional information concerning the
respondent’s U.S. and home-market sales. Therefore, in accordance with
section 751(a)(3)(A) of the Act and 19 CFR 351.213(h)(2), we are extending the
time period for issuing the preliminary results of this review by 74 days to April
15, 2011.
This notice is published in accordance with sections 751(a)(3)(A)
and 777(i)(1) of the Act.
Dated: January 24, 2011.

Deputy Assistant Secretary for Antidumping and
Countervailing Duty Operations.
