Federal Housing Administration (FHA): Refinancing an Existing Cooperative Under Section 207 Pursuant to Section 223(f) of the National Housing Act

AGENCY: Office of the Assistant Secretary for Housing—Federal Housing Commissioner, HUD.

ACTION: Proposed rule.

SUMMARY: HUD proposes to revise its regulations governing the eligibility for FHA insurance of mortgages used for the purchase or refinancing of existing multifamily housing projects. Although the statutory language authorizing such insurance does not distinguish between rental or cooperative multifamily projects, HUD’s current regulations limit FHA insurance to existing rental projects. Given the current crisis in the capital markets and the significant downturn in the multifamily market, the Department has determined that this is an appropriate time to reconsider this regulatory imposed limitation with respect to the mortgage insurance for the refinancing of cooperative projects. As mortgage lenders strive to increase capital reserves and tighten underwriting standards, the availability of financing for multifamily housing has been reduced. FHA mortgage insurance could significantly improve the availability of funds and permit more favorable interest rates than would otherwise be likely. Accordingly, this proposed rule would revise HUD’s regulations to enable existing multifamily cooperative project owners to obtain FHA insurance for the refinancing of existing indebtedness.

DATES: Comment Due Date: April 4, 2011.
