III. Discussion

The Commission finds that the proposed rule change is consistent with the requirements of the Act and the rules and regulations thereunder applicable to a national securities exchange. Specifically, the Commission finds that the proposal is consistent with Section 6(b)(5) of the Act, which requires, among other things, that the rules of a national securities exchange be designed to promote just and equitable principles of trade, to prevent fraudulent and manipulative acts and practices, to remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in general, to protect investors and the public interest.

As the Exchange notes, the proposal is intended to reduce investor confusion resulting from the operation of the $1 Strike Price Program by reducing the occurrences of discontinuities in strike prices and non-parallel strikes in different expiration months of the same issue. The Commission believes that the proposal strikes a reasonable balance between the Exchange’s desire to accommodate market participants and the need to avoid unnecessary proliferation of options series and the corresponding increase in quotes and market fragmentation. The Commission expects the Exchange to monitor the trading and quotation volume associated with the additional options series listed as a result of this proposal and the effect of these additional series on market fragmentation and on the capacity of the Exchange’s, OPRA’s, and vendors’ automated systems.

In approving this proposal, the Commission notes that Exchange has represented that it has the necessary systems capacity to support the potential increase in new options series that will result from the proposed changes to the $1 Strike Price Program.

IV. Conclusion

It is therefore ordered, pursuant to Section 19(b)(2) of the Act, that the proposed rule change (SR–NYSEAmex–2010–109) be, and it hereby is, approved.

For the Commission, by the Division of Trading and Markets, pursuant to delegated authority.13

Elizabeth M. Murphy,
Secretary.
