Charting Forum to be held from April 26 through April 28, 2011, from 8:30 a.m. to 5 p.m. at Advanced Management Technology, Inc. (AMTI), 1515 Wilson Boulevard, Arlington VA 22209.

The Instrument Procedures Group agenda will include briefings and discussions on recommendations regarding pilot procedures for instrument flight, as well as criteria, design, and developmental policy for instrument approach and departure procedures.

The Charting Group agenda will include briefings and discussions on recommendations regarding aeronautical charting specifications, flight information products, as well as new aeronautical charting and air traffic control initiatives. Attendance is open to the interested public, but will be limited to the space available.

The public must make arrangements by April 8, 2011, to present oral statements at the meeting. The public may present written statements and/or new agenda items to the committee by providing a copy to the person listed in the FOR FURTHER INFORMATION CONTACT section not later than April 8, 2011. Public statements will only be considered if time permits.

Issued in Washington, DC, on February 28, 2011.

John A. Moore, Co-Chair, Aeronautical Charting Forum.
