create a listing market on the Exchange. The proposed rule change was published for comment in the Federal Register on September 8, 2010.\(^2\) The Commission received three comment letters on the proposal.\(^4\) The Commission subsequently extended the time period in which to either approve the proposed rule change, disapprove the proposed rule change, or institute proceedings to determine whether to disapprove the proposed rule change, to December 7, 2010.\(^5\) On December 6, 2010, the Exchange filed Amendment No. 1 to the proposed rule change.\(^6\) On December 7, 2010, the Commission instituted proceedings to determine whether to disapprove the proposed rule change, as modified by Amendment No. 1.\(^7\) The Commission thereafter received seven comment letters on the proposal.\(^8\) The Exchange responded to these comments on February 17, 2011.\(^9\) Section 19(b)(2) of the Act\(^10\) provides that, after initiating disapproval proceedings, the Commission shall issue an order approving or disapproving the proposed rule change not later than 180 days after the date of publication of notice of the filing of the proposed rule change. The Commission may extend the period for issuing an order approving or disapproving the proposed rule change, however, by not more than 60 days if the Commission determines that a longer period is appropriate and publishes the reasons for such determination. The proposed rule change was published for notice and comment in the Federal Register on September 8, 2010. March 7, 2011 is 180 days from that date, and May 6, 2011 is an additional 60 days from that date.

The Commission finds it appropriate to designate a longer period within which to issue an order approving or disapproving the proposed rule change so that it has sufficient time to consider this proposed rule change, the issues raised in the comment letters that have been submitted in connection with this proposed rule change, and the Exchange’s response to such issues in its response letter. Specifically, while the Exchange noted a number of benefits to the proposal,\(^11\) as the Commission noted in the Order Instituting Proceedings, the proposal raises issues such as whether BX-listed securities could be more prone to manipulation, and whether investors will understand that BX-listed securities could pose substantially more risk than those listed on other markets.\(^12\)

Accordingly, the Commission, pursuant to Section 19(b)(2) of the Act,\(^13\) designates May 6, 2011, as the date by which the Commission should either approve or disapprove the proposed rule change.

For the Commission, by the Division of Trading and Markets, pursuant to delegated authority.\(^14\)

Cathy H. Ahn, Deputy Secretary.
