also asks parties to serve a copy of their requests to the Office of Antidumping/Countervailing Duty Operations. Attention: Sheila Forbes, in room 3508 of the main Commerce Building. Further, in accordance with 19 CFR 351.303(f)(3)(ii), a copy of each request must be served on the petition and each exporter or producer specified in the request.

The Department will publish in the Federal Register a notice of “Initiation of Administrative Review of Antidumping or Countervailing Duty Order, Finding, or Suspended Investigation” for requests received by the last day of April 2011. If the Department does not receive, by the last day of April 2011, a request for review of entries covered by an order, finding, or suspended investigation listed in this notice and for the period identified above, the Department will instruct the CBP to assess antidumping or countervailing duties on those entries at a rate equal to the cash deposit of (or bond for) estimated antidumping or countervailing duties required on those entries at the time of entry, or withdrawal from warehouse, for consumption and to continue to collect the cash deposit previously ordered.

For the first administrative review of any order, there will be no assessment of antidumping or countervailing duties on entries of subject merchandise entered, or withdrawn from warehouse, for consumption during the relevant provisional-measures “gap” period, of the order, if such a gap period is applicable to the POR.

This notice is not required by statute but is published as a service to the international trading community.

Light-Walled Rectangular Pipe and Tube From Mexico; Extension of Time Limit for Preliminary Results of Antidumping Duty Administrative Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

DATES: Effective Date: April 1, 2011.

SUPPLEMENTARY INFORMATION:

Background

On September 29, 2010, the Department of Commerce (the Department) published in the Federal Register the initiation of the administrative review of the antidumping duty order on light-walled rectangular pipe and tube from Mexico, covering the period of August 1, 2009, to July 31, 2010. See Initiation of Antidumping and Countervailing Duty Administrative Reviews and Request for Revocation in Part, 75 FR 60076 (September 29, 2010). The current deadline for the preliminary results of this review is May 3, 2011.

Extension of Time Limits for Preliminary Results of Review

Section 751(a)(3)(A) of the Tariff Act of 1930, as amended (the Act), requires that the Department complete the preliminary results of an administrative review within 245 days after the last day of the anniversary month of an order for which a review is requested. However, if it is not practicable to complete the review within this time period, section 751(a)(3)(A) of the Act allows the Department to extend the 245 day time period for the preliminary results up to 365 days.

The Department finds that it is not practicable to complete the preliminary results of this review within the original time frame because additional information from both mandatory respondents, Regiomontana de Perfiles S.A. de C.V. (Regiomontana) and Maquilacero S.A. de C.V. (Maquilacero), is necessary to complete our analysis. Because the Department requires additional time to obtain and analyze this information, it is not practicable to complete this review within the original time limit (i.e., May 3, 2011).

Accordingly, the Department is extending the time limit for completion of the preliminary results of this administrative review until no later than August 31, 2011, which is 365 days from the last day of the anniversary month of this order. We intend to issue the final results no later than 120 days after publication of the preliminary results notice.

This extension is issued and published in accordance with sections 751(a)(3)(A) and 777(i) of the Act.

Dated: March 28, 2011.

Christian Marsh, Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations.

Background

On August 31, 2010, the Department of Commerce (Department) published a notice of initiation of an administrative review under the antidumping duty order on polyethylene terephthalate film, sheet and strip from India covering the period July 1, 2009, through June 30, 2010. See Initiation of Antidumping and Countervailing Duty Administrative Reviews and Deferral of Initiation of Administrative Review, 75 FR 53274 (August 31, 2010). The Department initiated the review with respect to two companies, Ester Industries Limited and SRF Limited. SRF Limited has since withdrawn its request for review. The preliminary results of the review of Ester Industries Limited are currently due no later than April 2, 2011.

Extension of Time Limit for Preliminary Results

Pursuant to section 751(a)(3)(A) of the Tariff Act of 1930, as amended (the Act), the Department shall issue preliminary results in an administrative review of an antidumping duty order within 245 days after the last day of the anniversary month of the order for which the administrative review was requested. However, if the Department determines that it is not practicable to complete the preliminary results of the review within the aforementioned time limit, section 751(a)(3)(A) of the Act and 19 CFR 351.213(b)(2) allow the Department to extend the 245-day period to 365 days.

Pursuant to section 751(a)(3)(A) of the Tariff Act of 1930, as amended (the Act), the Department shall issue preliminary results in an administrative review of an antidumping duty order within 245 days after the last day of the anniversary month of the order for which the administrative review was requested. However, if the Department determines that it is not practicable to complete the preliminary results of the review within the aforementioned time limit, section 751(a)(3)(A) of the Act and 19 CFR 351.213(b)(2) allow the Department to extend the 245-day period to 365 days.
Pursuant to section 751(a)(3)(A) of the Act and 19 CFR 351.213(b)(2), we determine that it is not practicable to complete the preliminary results of this review within the original time limit. The Department needs additional time to analyze the extensive questionnaire responses that were submitted, and we anticipate issuing additional supplemental questionnaires. Therefore, in accordance with section 751(a)(3)(A) of the Act, the Department has decided to extend the time limit for the preliminary results from 245 days to 365 days. The preliminary results will now be due no later than July 31, 2011. However, July 31, 2011, falls on a Sunday, and it is the Department’s longstanding practice to issue a determination the next business day when the statutory deadline falls on a weekend, federal holiday, or any other day when the Department is closed. See Notice of Clarification: Application of “Next Business Day” Rule for Administrative Determination Deadlines Pursuant to the Tariff Act of 1930, As Amended, 70 FR 24533 (May 10, 2005). Accordingly, the deadline for the completion of the preliminary results is now August 1, 2011. Unless extended, the final results continue to be due 120 days after the publication of the preliminary results, pursuant to section 751(a)(3)(A) of the Act and 19 CFR 351.213(h)[1].

This notice is issued and published in accordance with sections 751(a)(3)(A) and 777(i)(1) of the Act.

Dated: March 28, 2011.

Christian Marsh,
Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations.

See Initiation of Antidumping and Countervailing Duty Administrative Reviews and Deferral of Initiation of Administrative Review, 75 FR 53274 (August 31, 2010). This review covers the period July 1, 2009, through June 30, 2010. The preliminary results for this administrative review are currently scheduled for April 2, 2011.

Extension of Time Limits for Preliminary Results

Section 751(a)(3)(A) of the Tariff Act of 1930, as amended (the Act), requires the Department to complete the preliminary results of an administrative review within 245 days after the last day of the anniversary month of an order for which a review is requested. However, if it is not practicable to complete the review within this time period, section 751(a)(3)(A) of the Act allows the Department to extend the 245 day time period for the preliminary results up to 365 days.

The Department has determined that it is not practicable to complete this review within the statutory time limit because we require additional time to collect and analyze additional information regarding Akzo Nobel Functional Chemicals B.V.’s calculation of certain expenses, needed for our preliminary results. Accordingly, the Department is extending the time limit for completion of the preliminary results of this administrative review to no later than June 16, 2011, which is 320 days from the last day of the anniversary month of this order.
