Government has met its burden to establish a prima facie case that a registrant has committed acts demonstrating that continued registration is inconsistent with the public interest. A balancing of the statutory public interest factors supports the revocation of the Respondent’s Certificate of Registration and a denial of her application to renew. The Respondent has not accepted responsibility for her actions, expressed remorse for her conduct at any level, or presented evidence that could reasonably support a finding that the Deputy Administrator should continue to entrust her with a Certificate of Registration.

Accordingly, the Respondent’s Certificate of Registration should be revoked and any pending applications for renewal should be denied.

John J. Mulrooney, II,
U.S. Administrative Law Judge.

The workers produce cabinets and cabinet frames. The notice was published in the Federal Register on December 11, 2009 (74 FR 65797). The notice was amended on December 22, 2010 to include other company locations. The notice was published in the Federal Register on January 12, 2011 (76 FR 2145). The notice was published in the Federal Register on March 10, 2011 (76 FR 13226–13227).

At the request of the State agency, the Department reviewed the certification for workers and former workers of Masco Builder Cabinet Group, Waverly, Ohio (TA–W–71,287A) and Seal Township, Ohio (TA–W–71,287B). The amended notice applicable to TA–W–71,287A and TA–W–71,287B is hereby issued as follows:

Signed at Washington, DC this 29th day of March, 2011.
