other forms of information technology, e.g., permitting electronic submission of responses.

Overview of This Information Collection

(1) Type of Information Collection: Extension of an existing information collection.
(2) Title of the Form/Collection: Application for authorization to Issue Certification for Health Care Workers.
(4) Affected public who will be asked or required to respond, as well as a brief abstract: Primary: Individuals and households. USCIS uses the information provided on Form I–905 to determine whether an organization can issue certificates to health care workers.
(5) An estimate of the total number of respondents and the amount of time estimated for an average respondent to respond:
   - Request to issue Certificates: 10 responses at 4 hours per response.
   - Credential Organization: 14,000 responses at 2 hours per response.
   - Applicants: 14,000 responses at 1 hour and 40 minutes (1.66) per response.
(6) An estimate of the total public burden (in hours) associated with the collection: 51,280 annual burden hours.

If you need a copy of the information collection instrument, please visit the Web site at: http://www.regulations.gov/.
