

period. The report must include the exchange visitors' names, SEVIS Identification Numbers (or other Department-mandated participant identification numbers), countries of citizenship or legal permanent residence, names of employers, the length of time it took non-pre-placed participants to secure job placements, and other information the Department may deem essential. For participants who change jobs or have multiple jobs during their programs, the report must include all such placements; and

(2) Sponsors are required to maintain current listings of all foreign agents or partners on the Foreign Entity Report by promptly informing the Department of any additions, deletions, or changes to overseas partner information by submitting new versions of the report that reflect all current information. The report must include the names, addresses, and contact information (i.e., telephone numbers and email addresses) of all foreign entities that assist the sponsors in fulfilling the provision of core program services, and other information the Department may deem essential. Sponsors may utilize only vetted foreign entities identified in the report to assist in fulfilling the sponsors' core programmatic functions outside the United States.

(o) *Program exclusions.* U.S. sponsors must not place participants:

(1) In any position in the adult entertainment industry;

(2) In sales positions that require participants to purchase inventory that they must sell in order to support themselves;

(3) In domestic help positions in private homes (e.g., child care, elder care, gardener, chauffeur);

(4) As pedicab or rolling chair drivers or operators;

(5) As operators of vehicles or vessels that carry passengers for hire and/or for which commercial drivers licenses are required;

(6) In any position related to clinical care that involves patient contact; or

(7) In any position that could bring notoriety or disrepute to the Exchange Visitor Program.

Dated: April 21, 2011.

Stanley S. Colvin,

Deputy Assistant Secretary for Private Sector Exchange, Bureau of Educational and Cultural Affairs, Department of State.

DEPARTMENT OF HOMELAND SECURITY

Coast Guard

33 CFR Part 100

[Docket No. USCG-2009-0996]

Hydroplane Races Within the Captain of the Port Puget Sound Area of Responsibility

AGENCY: Coast Guard, DHS.

ACTION: Notice of enforcement of regulation.

SUMMARY: The Coast Guard will enforce the Special Local Regulation, Hydroplane Races within the Captain of the Port Puget Sound Area of Responsibility for the Tastin' n' Racin' hydroplane event in Lake Sammamish, WA from 9 a.m. through 6 p.m. on June 11, 2011 and from 9 a.m. through 6 p.m. on June 12, 2011. This action is necessary to restrict vessel movement in the vicinity of the race courses thereby ensuring the safety of participants and spectators during these events. During the enforcement period non-participant vessels are prohibited from entering the designated race areas. Spectator craft entering, exiting or moving within the spectator area must operate at speeds which will create a minimum wake.

DATES: The regulations in 33 CFR 100.1308 will be enforced from 9 a.m. through 6 p.m. on June 11, 2011 and from 9 a.m. through 6 p.m. on June 12, 2011.

FOR FURTHER INFORMATION CONTACT: If you have questions on this notice, call or e-mail Ensign Anthony P. LaBoy, Sector Puget Sound Waterways Management Division, Coast Guard; telephone 206-217-6323, e-mail SectorPugetSoundWWM@uscg.mil.

SUPPLEMENTARY INFORMATION: The Coast Guard is providing notice of enforcement of the Special Local Regulation for Hydroplane Races within the Captain of the Port Puget Sound Area of Responsibility 33 CFR 100.1308. The Lake Sammamish area, 33 CFR 100.1308(a)(3) will be enforced on June 11, 2011, from 9 a.m. to 6 p.m. and on June 12, 2011 from 9 a.m. to 6 p.m. These regulations can be found in the March 29, 2011 issue of the **Federal Register** (76 FR 17341).

Under the provisions of 33 CFR 100.1308, the regulated area shall be closed for the duration of the event to all vessel traffic not participating in the event and authorized by the event sponsor or Coast Guard Patrol Commander.

When this special local regulation is enforced, non-participant vessels are prohibited from entering the designated race areas unless authorized by the designated on-scene Patrol Commander. Spectator craft may remain in designated spectator areas but must follow the directions of the designated on-scene Patrol Commander. The event sponsor may also function as the designated on-scene Patrol Commander. Spectator craft entering, exiting or moving within the spectator area must operate at speeds which will create a minimum wake.

Emergency Signaling: A succession of sharp, short signals by whistle or horn from vessels patrolling the areas under the discretion of the designated on-scene Patrol Commander shall serve as a signal to stop. Vessels signaled shall stop and shall comply with the orders of the patrol vessel. Failure to do so may result in expulsion from the area, citation for failure to comply, or both.

This notice is issued under authority of 33 CFR 100.1308 and 5 U.S.C. 552(a). In addition to this notice in the **Federal Register**, the Coast Guard will provide the maritime community with advance notification of this enforcement period via the Local Notice to Mariners. If the Captain of the Port determines that the regulated area need not be enforced for the full duration stated in this notice, he may use a Broadcast Notice to Mariners to grant general permission to enter the regulated area.

Dated: April 11, 2011.

S.J. Ferguson,

Captain, U.S. Coast Guard, Captain of the Port, Puget Sound.

[Docket No. USCG-2010-0612]

RIN 1625-AA09

Drawbridge Operation Regulation; Isle of Wight (Sinepuxent) Bay, Ocean City, MD

AGENCY: Coast Guard, DHS.

ACTION: Final rule.

SUMMARY: The Coast Guard is changing the regulation governing the operation of the US 50 Bridge over Isle of Wight (Sinepuxent) Bay, mile 0.5, at Ocean City, MD. This rule will require any mariner requesting an opening in the

evening hours during the off-season, to do so before the tender office has vacated for the night. The change will ensure draw tender availability for openings. The Coast Guard is also changing the waterway location from Isle of Wight Bay to Isle of Wight (Sinepuxent) Bay. This change is necessary because the waterway is known locally as both Isle of Wight Bay and Sinepuxent Bay. This change will ensure there is no confusion as to the referenced waterway.

DATES: This rule is effective May 26, 2011.

ADDRESSES: Comments and related materials received from the public, as well as documents mentioned in this preamble as being available in the docket, are part of docket USCG–2010–0612 and are available online by going to <http://www.regulations.gov>, inserting USCG–2010–0612 in the “Keyword” box, and then clicking “Search.” This material is also available for inspection or copying at the Docket Management Facility (M–30), U.S. Department of Transportation, West Building Ground Floor, Room W12–140, 1200 New Jersey Avenue, SE., Washington, DC 20590, between 9 a.m. and 5 p.m., Monday through Friday, except Federal holidays.

FOR FURTHER INFORMATION CONTACT: If you have questions on this rule, call or e-mail Ms. Lindsey Middleton, Fifth District Bridge Administration Division, Coast Guard; telephone 757–398–6629, e-mail Lindsey.R.Middleton@uscg.mil. If you have questions on viewing the docket, call Renee V. Wright, Program Manager, Docket Operations, telephone 202–366–9826.

SUPPLEMENTARY INFORMATION:

Regulatory Information

On December 9, 2010, we published a notice of proposed rulemaking (NPRM) entitled Drawbridge Operation Regulation: Isle of Wight (Sinepuxent) Bay, Ocean City, MD in the **Federal Register** (75 FR 236). We received no comments on the proposed rule. No public meeting was requested, and none was held.

Basis and Purpose

The Maryland Department of Transportation (MdTA) has requested a change to the operating procedure for the double-leaf bascule US 50 Bridge. This change would require that the draw shall open on signal; except that, from 6 p.m. to 6 a.m., from October 1 to April 30 of every year, the draw shall open on signal if notice is given to the bridge tender before 6 p.m.

The current regulation, set out in 33 CFR 117.559, requires that the US 50

Bridge over Isle of Wight (Sinepuxent) Bay, mile 0.5, at Ocean City, with a vertical clearance of 13 feet above mean high tide in the closed position, shall open on signal; except from October 1 through April 30 from 6 p.m. to 6 a.m., the draw shall open if at least three hours notice is given and from May 25 through September 15, from 9:25 a.m. to 9:55 p.m., the draw shall open at 25 minutes after and 55 minutes after the hour for a maximum of five minutes to let accumulated vessels pass, except that, on Saturdays from 1 p.m. to 5 p.m., the draw shall open on the hour for all waiting vessels and shall remain in the open position until all waiting vessels pass.

According to the draw tender logs for the past three years, furnished by MdTA, there have been few to no requests for bridge openings from October 1 to April 30, between the hours of 6 p.m. and 6 a.m. By providing notice to the bridge tender before 6 p.m., mariners can plan their transits and minimize delay in accordance with the proposed rule. The majority of the waterway traffic at this bridge site is seasonal recreational boaters. October 1 through April 30 is considered out-of-season and has minimal waterway traffic.

The current regulation, set out in 33 CFR 117.559, locates this waterway as Isle of Wight Bay, mile 0.5, at Ocean City, MD. Local mariners refer to this waterway location as both the Isle of Wight Bay and the Sinepuxent Bay. To clarify any confusion mariners may have, this waterway location will be cited as Isle of Wight (Sinepuxent) Bay, mile 0.5, at Ocean City, MD in the **Federal Register**.

Discussion of Comments and Changes

No comments were received on the proposed rule and no changes were made to the proposed rule.

Regulatory Analyses

We developed this rule after considering numerous statutes and executive orders related to rulemaking. Below we summarize our analyses based on 13 of these statutes or executive orders.

Regulatory Planning and Review

This rule is not a significant regulatory action under section 3(f) of Executive Order 12866, Regulatory Planning and Review, and does not require an assessment of potential costs and benefits under section 6(a)(3) of that Order. The Office of Management and Budget has not reviewed it under that Order. The changes are expected to have minimal impact on maritime traffic

transiting the bridge. Mariners can plan their trips in accordance with the scheduled bridge openings to minimize delays.

Small Entities

Under the Regulatory Flexibility Act (5 U.S.C. 601–612), we have considered whether this rule would have a significant economic impact on a substantial number of small entities. The term “small entities” comprises small businesses, not-for-profit organizations that are independently owned and operated and are not dominant in their fields, and governmental jurisdictions with populations of less than 50,000.

The Coast Guard certifies under 5 U.S.C. 605(b) that this rule will not have a significant economic impact on a substantial number of small entities.

This rule will affect the following entities, some of which might be small entities: The owners or operators of vessels needing to transit through the bridge from 6 p.m. to 6 a.m. from October 1 to April 30. This action will not have a significant economic impact on a substantial number of small entities because the rule adds minimal restrictions to the movement of navigation, by requiring mariners from October 1 to April 30, from 6 p.m. to 6 a.m., to give notice to the bridge tender before 6 p.m.

Assistance for Small Entities

Under section 213(a) of the Small Business Regulatory Enforcement Fairness Act of 1996 (Pub. L. 104–121), in the NPRM we offered to assist small entities in understanding the rule so that they could better evaluate its effects on them and participate in the rulemaking process.

Collection of Information

This rule calls for no new collection of information under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501–3520).

Federalism

A rule has implications for federalism under Executive Order 13132, Federalism, if it has a substantial direct effect on State or local governments and would either preempt State law or impose a substantial direct cost of compliance on them. We have analyzed this rule under that Order and have determined that it does not have implications for federalism.

Unfunded Mandates Reform Act

The Unfunded Mandates Reform Act of 1995 (2 U.S.C. 1531–1538) requires Federal agencies to assess the effects of

their discretionary regulatory actions. In particular, the Act addresses actions that may result in the expenditure by a State, local, or tribal government, in the aggregate, or by the private sector of \$100,000,000 (adjusted for inflation) or more in any one year. Though this rule will not result in such an expenditure, we do discuss the effects of this rule elsewhere in this preamble.

Taking of Private Property

This rule will not cause a taking of private property or otherwise have taking implications under Executive Order 12630, Governmental Actions and Interference with Constitutionally Protected Property Rights.

Civil Justice Reform

This rule meets applicable standards in sections 3(a) and 3(b)(2) of Executive Order 12988, Civil Justice Reform, to minimize litigation, eliminate ambiguity, and reduce burden.

Protection of Children

We have analyzed this rule under Executive Order 13045, Protection of Children from Environmental Health Risks and Safety Risks. This rule is not an economically significant rule and would not create an environmental risk to health or risk to safety that might disproportionately affect children.

Indian Tribal Governments

This rule does not have tribal implications under Executive Order 13175, Consultation and Coordination with Indian Tribal Governments, because it does not have a substantial direct effect on one or more Indian tribes, on the relationship between the Federal Government and Indian tribes, or on the distribution of power and responsibilities between the Federal Government and Indian tribes.

Energy Effects

We have analyzed this rule under Executive Order 13211, Actions Concerning Regulations That Significantly Affect Energy Supply, Distribution, or Use. We have determined that it is not a "significant energy action" under that order because it is not a "significant regulatory action" under Executive Order 12866 and is not likely to have a significant adverse effect on the supply, distribution, or use of energy. The Administrator of the Office of Information and Regulatory Affairs has not designated it as a significant energy action. Therefore, it does not require a Statement of Energy Effects under Executive Order 13211.

Technical Standards

The National Technology Transfer and Advancement Act (NTTAA) (15 U.S.C. 272 note) directs agencies to use voluntary consensus standards in their regulatory activities unless the agency provides Congress, through the Office of Management and Budget, with an explanation of why using these standards would be inconsistent with applicable law or otherwise impractical. Voluntary consensus standards are technical standards (e.g., specifications of materials, performance, design, or operation; test methods; sampling procedures; and related management systems practices) that are developed or adopted by voluntary consensus standards bodies.

This rule does not use technical standards. Therefore, we did not consider the use of voluntary consensus standards.

Environment

We have analyzed this rule under Department of Homeland Security Management Directive 023-01 and Commandant Instruction M16475.ID, which guides the Coast Guard in complying with the National Environmental Policy Act of 1969 (NEPA) (42 U.S.C. 4321-4370f), and have concluded that this action is one of a category of actions which do not individually or cumulatively have a significant effect on the human environment. This rule is categorically excluded, under figure 2-1, paragraph (32)(e), of the Instruction.

Under figure 2-1, paragraph (32)(e), of the Instruction, an environmental analysis checklist and a categorical exclusion determination are not required for this rule.

List of Subjects in 33 CFR Part 117

Bridges.

For the reasons discussed in the preamble, the Coast Guard amends 33 CFR part 117 as follows:

PART 117—DRAWBRIDGE OPERATION REGULATIONS

- 1. The authority citation for part 117 continues to read as follows:

Authority: 33 U.S.C. 499; 33 CFR 1.05-1; Department of Homeland Security Delegation No. 0170.1.

- 2. Section 117.559 is revised to read as follows:

§ 117.559 Isle of Wight (Sinepuxent) Bay.

The draw of the US 50 Bridge, mile 0.5, at Ocean City, shall open on signal, except:

(a) From October 1 through April 30, from 6 p.m. to 6 a.m., the draw shall

open if notice has been given to the bridge tender before 6 p.m.

(b) From May 25 through September 15, from 9:25 a.m. to 9:55 p.m., the draw shall open at 25 minutes after and 55 minutes after the hour for a maximum of five minutes to let accumulated vessels pass, except that on Saturdays, from 1 p.m. to 5 p.m., the draw shall open on the hour for all waiting vessels and shall remain in the open position until all waiting vessels pass.

Dated: April 13, 2011.

William D. Lee,

Rear Admiral, United States Coast Guard, Commander, Fifth Coast Guard District.

Coast Guard

33 CFR Part 117

[Docket No. USCG-2011-0276]

Drawbridge Operation Regulation; New Jersey Intracoastal Waterway (NJICW), Beach Thorofare, NJ

AGENCY: Coast Guard, DHS.

ACTION: Notice of temporary deviation from regulations.

SUMMARY: The Commander, Fifth Coast Guard District, has issued a temporary deviation from the regulations governing the operation of the Route 30/ Absecon Boulevard Bridge across Beach Thorofare, at NJICW mile 67.2, at Atlantic City, NJ. This deviation is necessary to facilitate extensive rehabilitation and maintenance in order to maintain the bridge's operational integrity. Under this deviation, the bascule lift span of the drawbridge will remain in the closed-to-navigation position for the extent of the effective period.

DATES: This deviation is effective from 7 a.m. on September 16, 2011 through 11:59 p.m. on January 13, 2012.

ADDRESSES: Documents mentioned in this preamble as being available in the docket are part of docket USCG-2011-0276 and are available online by going to <http://www.regulations.gov>, inserting USCG-2011-0276 in the "Keyword" box and then clicking "Search". They are also available for inspection or copying at the Docket Management Facility (M-30), U.S. Department of Transportation, West Building Ground Floor, Room W12-140, 1200 New Jersey Avenue, SE., Washington, DC 20590,
