Certain Steel Nails From the Peoples’ Republic of China: Notice of Extension of Time Limits and Partial Rescission of the Second Antidumping Duty Administrative Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

DATES: Effective Date: April 28, 2011.

FOR FURTHER INFORMATION CONTACT: Alexis Polovina, Timothy Lord, or Ricardo Martinez Rivera, Office 9, AD/CVD Operations, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington, DC 20230; telephone: (202) 482–3927, (202) 482–7425, and (202) 482–4532, respectively.

Background

On August 2, 2010, the Department published a notice of opportunity to request an administrative review on the antidumping order on certain steel nails from the People’s Republic of China (“PRC”) for the period of review (“POR”) August 1, 2009, through July 31, 2010. See Antidumping and Countervailing Duty Order, Finding, or Suspended Investigation; Opportunity To Request Administrative Review, 75 FR 45094 (August 2, 2010). Based upon requests for review from various parties, on September 29, 2010, the Department initiated the first antidumping duty administrative review on certain steel nails from the PRC, covering 222 companies. See Initiation of Antidumping and Countervailing Duty Administrative Reviews and Request for Revocation in Part, 75 FR 60076 (September 29, 2010) (“Initiation Notice”).

Statutory Time Limits

Section 751(a)(3)(A) of the Tariff Act of 1930, as amended (“Act”), requires the Department to make a preliminary determination within 245 days after the last day of the anniversary month of an order for which a review is requested and a final determination within 120 days after the date on which the preliminary results are published. However, if it is not practicable to complete the review within these time periods, section 751(a)(3)(A) of the Act allows the Department to extend the time limit for the preliminary determination to a maximum of 365 days after the last day of the anniversary month.
Extension of Time Limit for Preliminary Results of Review

We determine that it is not practicable to complete the preliminary results of this review within the original time limit because the Department requires additional time to analyze the supplemental questionnaire responses. Further, the Department has provided parties additional time to submit surrogate value data and thus will require additional time to analyze these data. Therefore, the Department is extending the time limit for completion of the preliminary results by 90 days. The preliminary results will now be due no later than August 1, 2011. The final results continue to be due 120 days after the publication of the preliminary results.

Partial Rescission of Review

19 CFR 351.213(d)(1), states that if a party that requested an administrative review withdraws the request within 90 days of the publication of the notice of initiation of the requested review, the Secretary will rescind the review.

In accordance with 19 CFR 351.213(d)(1), the Department accordingly rescinds its review for those companies listed above and for which the request for review was withdrawn.

Assessment Rates

The Department will instruct U.S. Customs and Border Protection (“CBP”) to assess antidumping duties on all appropriate entries. For those companies for which this review has been rescinded and which have a separate rate from a prior segment of the proceeding, antidumping duties shall be assessed at rates equal to the cash deposit of estimated antidumping duties required at the time of entry, or withdrawal from warehouse, for consumption, in accordance with 19 CFR 351.212(c)(2). Accordingly, the Department intends to issue appropriate assessment instructions directly to CBP 15 days after publication of this notice for the following companies: 1) Beijing Hongsheng Metal Products Co., Ltd.; 2) Cana (Tianjin) Hardware Ind., Co., Ltd.; 3) Guangdong Foreign Trade Import & Export Corporation; 4) Hebei Cangzhou Huadu Jin Chuan Manufactory Co.; 5) Shandong Oriental Cherry Hardware Group Co., Ltd.; 6) Jisco Corporation; 7) Mingguang Abundant Hardware Products Co., Ltd.; 8) Qingdao Jisco Co., Ltd.; 9) SDC International Australia Pty., Ltd.; 10) Shandong Oriental Cherry Hardware Group Co., Ltd.; 11) Shandong Oriental Cherry Hardware Import and Export Co., Ltd.; 12) Shanxi Huaibi Trade Co., Ltd.; 13) Shanxi Pioneer Hardware Industrial Co., Ltd.; 14) S-Mart (Tianjin) Technology Development Co., Ltd.; 15) Suntec Industries Co., Ltd.; 16) Tianjin Xiantong Material & Trade Co., Ltd; 17) Union Enterprise (Kushan) Co., Ltd.; 18) Wuhu Shijie Hardware Co., Ltd.; 19) Wuhu Xin Lan De Industrial Co., Ltd.; 20) Xi’an Metals & Minerals Import and Export Co., Ltd.; and 21) Zhaqing Harvest Nails Co., Ltd.
