comments on the petition from interested parties. The comment period closed on March 8, 2010. Six comments were timely received in response to this notice and were all in support of the petitioner’s position that the merchandise should be classified under heading 3406, HTSUS, as candles.

Decision on Petition and Notice of Petitioner’s Desire To Contest

On December 7, 2010, CBP issued HQ H105015 which denied the domestic interested party petition and affirmed the tariff classification determination of the imported wickless wax objects as set forth in CBP’s previously issued rulings. (A copy of this ruling and the comments submitted by the public can be found at http://www.regulations.gov under Docket No. USCBP–2009–0036). Ruling HQ H105015 officially notified the petitioner that “CBP correctly classified the wax objects described in L83725, dated June 30, 2005; NY L63383, dated June 15, 2005; NY L84761, dated June 2, 2005; NY C83433, dated March 26, 2001; NY E87727, dated September 27, 1999; NY E82227, dated May 18, 1999; NY E91505, dated May 12, 1999; and NY D82824, dated March 12, 1999, in heading 9602.00.40, HTSUS, as molded or carved articles of wax by application of GRIs 6 and 1.” In that ruling, CBP also notified the petitioner of its right to file notice of its desire to contest the decision not later than thirty days from the date of issuance of this letter in accordance with section 175.23 of the CBP regulations (19 CFR 175.23).

On January 5, 2011, the National Candle Association timely provided CBP with notice of its desire to contest HQ H105015 in the United States Court of International Trade. The petitioner has identified, in accordance with 19 U.S.C. 1516(c) and 19 CFR 175.23, five ports of entry where it intends to challenge CBP’s classification of wickless wax objects identified in entry documentation as “wax cylinders”, “wax pillars”, “wax blocks”, “wax forms”, “candle jars”, “candle holders”, “religious candles holders”, or “religious candle jars” classified in heading 9602, HTSUS. The ports of entry are as follows: Los Angeles/Long Beach, California; New York, New York; Savannah, Georgia; Laredo, Texas; and Chicago, Illinois.

Upon application by the petitioner to any of the above-listed Ports of Entry, the Port Director(s) must notify the petitioner that CBP correctly classified the wax objects described in L83725, dated June 30, 2005; NY L63383, dated June 15, 2005; NY L84761, dated June 2, 2005; NY C83433, dated March 26, 2001; NY E87727, dated September 27, 1999; NY E82227, dated May 18, 1999; NY E91505, dated May 12, 1999; and NY D82824, dated March 12, 1999, in heading 9602.00.40, HTSUS, as molded or carved articles of wax by application of GRIs 6 and 1.” In that ruling, CBP also notified the petitioner of its right to file notice of its desire to contest the decision not later than thirty days from the date of issuance of this letter in accordance with section 175.23 of the CBP regulations (19 CFR 175.23).

For Further Information Contact:

Background

It has been determined that 18,148,537 kilograms of tuna in air-tight containers may be entered and withdrawn from warehouse for consumption during the Calendar Year 2011, at the rate of 6 percent ad valorem under subheading 1604.14.22, HTSUS. Any such tuna which is entered or withdrawn from warehouse for consumption during the current calendar year in excess of this quota will be dutiable at the rate of 12.5 percent ad valorem under subheading 1604.13.30, HTSUS.

Dated: May 9, 2011.

Allen Gina,
Assistant Commissioner, Office of International Trade.
