software developers who wish to create tools to facilitate compliance with the requirements of Order Nos. 735 and 735–A: (1) Fillable Form 549D PDF, (2) XML XSD file, and (3) Data Dictionary and Instruction for completing the Form 549D. Only these documents should be used to eFile the Form 549D.

Staff is also publishing in eLibrary a log of the changes to help Respondents understand the changes that were made and a redline/strikeout copy of the Data Dictionary and Instructions. The log of changes and the redline/strikeout copy of the Data Dictionary and Instructions will not be published in the Federal Register. Respondents should consult the Form 549D web page, especially the filing tips and instructions on the FERC Web site for more detailed information. Any questions should be sent to the Form549D@ferc.gov mail box.

Dated: June 24, 2011.

Nathaniel J. Davis, Sr.
Deputy Secretary.

DEPARTMENT OF ENERGY

Federal Energy Regulatory Commission

[Project No. 4804–001]

San Luis Obispo Flood Control and Water Conservation District; Notice of Effectiveness of Surrender

On October 24, 2005, the District filed an application with the Commission to surrender the exemption. On April 12, 2007, staff from the Commission’s San Francisco Regional Office conducted an inspection of the project to verify that the District had dismantled and abandoned the project facilities as proposed. By letter dated May 3, 2007, Commission staff confirmed the project’s abandonment.

Accordingly, the Commission accepts the District’s surrender of its exemption from licensing issued on October 27, 1981, effective May 3, 2007.

Dated: June 22, 2011.
