SUPPLEMENTARY INFORMATION: The Assistant Secretary of OSHA invites interested parties to submit nominations for membership on FACOSH.

Background. FACOSH is authorized to advise the Secretary of Labor (Secretary) on all matters relating to the occupational safety and health of Federal employees (Occupational Safety and Health Act of 1970 (29 U.S.C. 668), 5 U.S.C. 7902, Executive Orders 12196 and 13511). This includes providing advice on how to reduce and keep to a minimum the number of injuries and illnesses in the Federal workforce and how to encourage the establishment and maintenance of effective occupational safety and health programs in each Federal agency.

FACOSH membership. FACOSH is comprised of 16 members, who the Secretary appoints to staggered terms not to exceed three (3) years. The Assistant Secretary for Health Programs chairs FACOSH, is seeking nominations to fill six (6) positions on FACOSH that become vacant on January 1, 2012. The Secretary will appoint the new members to three (3)-year terms.

The categories of FACOSH membership, and the number of new members to be appointed, are:

- Eight (8) members are Federal agency management representatives: three (3) management representatives will be appointed; and
- Eight (8) members are representatives of labor organizations representing Federal employees: three (3) Federal employee representatives will be appointed.

FACOSH members serve at the pleasure of the Secretary unless the member is no longer qualified to serve, resigns, or is removed by the Secretary. The Secretary may appoint FACOSH members to successive terms. FACOSH meets at least two (2) times a year.

The Department of Labor is committed to equal opportunity in the workplace and seeks broad-based and diverse FACOSH membership. Any interested person or organization may nominate one (1) or more qualified persons for membership on FACOSH. Interested persons also are invited and encouraged to submit statements in support of particular nominees.

Nomination requirements. Nominations must include the following information:

1. The nominee’s contact information and current occupation or position;
2. Nominee’s resume or curriculum vitae, including prior membership on FACOSH and other relevant organizations, associations and committees;

4. A summary of the nominee’s background, experience and qualifications that addresses the nominee’s suitability for the nominated membership category;
5. Articles or other documents the nominee has authored that indicate the nominee’s knowledge, experience, and expertise in occupational safety and health, particularly as it pertains to the Federal workforce; and
6. A statement that the nominee is aware of the nomination, is willing to regularly attend and participate in FACOSH meetings, and has no apparent conflicts of interest that would preclude membership on FACOSH.

Member selection. The Secretary will appoint FACOSH members based upon criteria including, but not limited to, the nominee’s level of responsibility for occupational safety and health matters involving the Federal workforce, experience and competence in occupational safety and health, and willingness and ability to regularly and fully participate in FACOSH meetings. Federal agency management nominees who serve as their agency’s Designated Agency Safety and Health Official (DASHO) and labor nominees who are responsible for Federal employee occupational safety and health matters within their respective organizations are preferred as management and labor members, respectively. The information received through the nomination process, along with other relevant sources of information, will assist the Secretary in making appointments to FACOSH. In selecting FACOSH members, the Secretary will consider individuals nominated in response to this Federal Register notice, as well as other qualified individuals.
