(6) Any other relevant information.

(b) After receiving the proposal, NATF staff:

(1) Assesses the potential customer base for the proposed products and services, consulting other NARA offices. The potential demand does not warrant establishing fees for new records reproduction products and services, NATF notifies the proposing office that the new product and service are not approved and the reasons why.

(3) If the potential demand warrants, NATF prepares a cost analysis following the methodology in § 1258.6 and develops a proposed recommended fee for review by NARA’s Financial Resources Division and approval by the Archivist of the United States.

(1) The public will be notified of new records reproduction services, including the business case for determining initial fee, on-line at http://www.archives.gov, by press releases, and through NARA’s social media outlets.

(b) When NARA wishes to disseminate information about its activities to the general public through press, radio, television, and newsreel representatives;

(c) When the reproduction is to furnish the donor of a document or other gift with a copy of the original;

(d) When the reproduction is for individuals or associations having official voluntary or cooperative relations with NARA in its work;

(e) When the reproduction is for a foreign, State, or local government or an international agency and furnishing it without charge is an appropriate courtesy; and

(f) For records of other Federal agencies in NARA Federal records centers only:

(1) When furnishing the service free conforms to generally established business custom, such as furnishing personal reference data to prospective employers of former Government employees;

(2) When the reproduction of not more than one copy of the document is required to obtain from the Government financial benefits to which the requesting person may be entitled (e.g., veterans or their dependents, employees with workmen’s compensation claims, or persons insured by the Government);

(3) When the reproduction of not more than one copy of a hearing or other formal proceeding involving security requirements for Federal employment is requested by a person directly concerned in the hearing or proceeding; and

(4) When the reproduction of not more than one copy of a document is for a person who has been required to furnish a personal document to the Government (e.g., a birth certificate required to be given to an agency where the original cannot be returned to the individual).

§ 1258.14 What is NARA’s payment policy?

Fees may be paid:

(a) By check or money order made payable to the National Archives Trust Fund.

(b) By selected credit cards.

(c) Payments from outside the United States must be made by international money order payable in U.S. dollars or a check drawn on a U.S. bank.

(d) In cash (note that some locations do not accept cash).

§ 1258.16 What is NARA’s refund policy?

Due to the age, original media type, and general condition of many of the items in NARA’s holdings, it is occasionally difficult to make a legible reproduction. NARA staff will notify customers if they anticipate that the original will result in a reproduction of questionable legibility before requesting the reproduction and after approval of the customer. After a records reproduction is completed, the product undergoes a review to determine if it is an accurate representation of the original item. Because of the preapproval process, NARA does not provide refunds except in special cases. If a customer requests a refund, a review is made of the order to determine if the customer was properly notified of the questionable nature of the original and if the product is a true representation of the original. If the customer authorized proceeding and the product is a true representation of the original, no refund will be issued.

§ 1258.18 Where can I find NARA’s current fees and information on how to order reproductions?

(a) NARA’s fee schedule and ordering portal are located at http://www.archives.gov.

(b) Fee schedules for reproductions made from the holdings of Presidential libraries may differ because of regional cost variations. Presidential library fee schedules are available at http://www.archives.gov/presidential-libraries/. Some services may not be available at all NARA facilities.

(c) In order to preserve certain records which are in poor physical condition, NARA may restrict customers to photographic or other kinds of duplication instead of electrostatic copies.

Regional Haze State Implementation Plan; State of Nevada; Extension of Comment Period

AGENCY: Environmental Protection Agency (EPA).

ACTION: Proposed rule; Extension of public comment period.
SUMMARY: On June 22, 2011, the EPA proposed to approve the Nevada State Implementation Plan (SIP) to implement the regional haze program for the first planning period through July 31, 2018. The EPA is extending the deadline for written comments on the proposed approval of the Regional Haze SIP by 30 days to August 22, 2011. The EPA received requests for an extension from attorneys representing a consortium of environmental groups and the Moapa Paiutes Tribe. The requests were based on a need for more time to review the technical materials that form the basis of Nevada's Regional Haze SIP and EPA's proposed approval. The EPA finds that the request is reasonable given the complexity of the Regional Haze Rule requirements and EPA's proposed approval of the technical analyses presented in Nevada's plan.
