Center for Drug Evaluation and Research, Approach to Addressing Drug Shortage; Public Workshop

AGENCY: Food and Drug Administration, HHS.

ACTION: Notice of public workshop.

SUMMARY: The Food and Drug Administration (FDA) is announcing a public workshop regarding the approach of the Center for Drug Evaluation and Research (CDER) to addressing drug shortages. This public workshop is intended to provide information for, and to gain additional insight from, professional societies, patient advocates, industry, consumer groups, health care professionals, researchers, and other interested persons about the causes and impact of drug shortages, and possible strategies for preventing or mitigating drug shortages. The input from this public workshop will help in developing topics for further discussion with industry and professional societies, and other stakeholders and may help the Agency to better address drug shortage issues.

Date and Time: The public workshop will be held on September 26, 2011, from 8:30 a.m. to 4:30 p.m.

Location: The public workshop will be held at 10903 New Hampshire Ave., Bldg. 31, rm. 1503 B and C (Great Room), Silver Spring, MD 20993.

Reprocessing of Reusable Medical Devices

AGENCY: Food and Drug Administration, HHS.

ACTION: Notice; request for comments.

SUMMARY: The Food and Drug Administration (FDA) is considering factors affecting the reprocessing of reusable medical devices, including reprocessing quality, device design as it relates to the reprocessing of reusable medical devices, reprocessing methodologies, validation methodologies, and health care facility best practices. This is part of an ongoing effort to address patient exposure to inadequately reprocessed reusable medical devices. FDA would like to provide another opportunity for public comment by establishing a docket to receive information and comments from the public on factors affecting the reprocessing of reusable medical devices.

DATES: Submit either electronic or written comments by September 26, 2011.

ADDRESSES: You may submit comments, identified with the FDA docket number found in brackets in the heading of this document, by any of the following methods:
