Citric Acid and Certain Citrate Salts
From the People’s Republic of China:
Partial Rescission of Countervailing
Duty Administrative Review

AGENCY: Import Administration.
International Trade Administration, Department of Commerce.

DATES: Effective Date: August 11, 2011.

FOR FURTHER INFORMATION CONTACT:
Matthew Jordan or Sergio Balbontín at (202) 482–1540 or (202) 482–6478; AD/CVD Operations, Office 1, Import
Administration, International Trade Administration, U.S. Department of
Commerce, 14th Street and Constitution Avenue, NW., Washington, DC 20230.

Background

On May 2, 2011, the Department of
Commerce (“the Department”)
published a notice announcing the
opportunity to request an administrative
review of the countervailing duty order
on citric acid and certain citrate salts
(“citric acid”) from the People’s
Republic of China (“PRC”). See
Antidumping or Countervailing Duty
Order, Finding, or Suspended
Investigation: Opportunity To Request
Administrative Review, 76 FR 24460
(May 2, 2011). On May 31, 2011,
Huangshi Xinghua Biochemical Co., Ltd. (“Xinghua”), a producer and exporter of citric acid, timely requested that the Department conduct an
administrative review of the
countervailing duty order on citric acid,
covering merchandise exported by
Xinghua during the period of January 1,
2010, through December 31, 2010. In
accordance with 19 CFR
351.221(c)(1)(i), the Department
published a notice initiating this
administrative review with regard to
Xinghua. See Initiation of Antidumping

Recision of Review

Pursuant to 19 CFR 351.213(d)(1), the
Secretary will rescind an administrative review, in whole or in part, if the party
that requested a review withdraws the
request within 90 days of the date of
publication of the notice of initiation of the requested review. On July 27, 2011,
Xinghua withdrew its request for review of
itself within the 90-day period.
Therefore, in response to Xinghua’s
timely withdrawal request, and as no
other party requested a review of
Xinghua, the Department is rescinding this administrative review with respect to
Xinghua.

Assessment

The Department will instruct U.S.
Customs and Border Protection (“CBP”)
to assess countervailing duties on all
appropriate entries. For Xinghua, the
countervailing duties shall be assessed
at rates equal to the cash deposit of
estimated countervailing duties required
at the time of entry, or withdrawal from
warehouse, for consumption, in
accordance with 19 CFR
351.212(c)(1)(i). The Department
intends to issue appropriate assessment
instructions to CBP 15 days after the
date of publication of this notice of
rescission of administrative review with
respect to Xinghua.

Notification Regarding Administrative
Protective Order

This notice serves as a final reminder
to parties subject to administrative
protective order (“APO”) of their
responsibility concerning the
disposition of proprietary information
disclosed under APO in accordance
with 19 CFR 351.305(a)(3). Timely
written notification of the return/
destruction of APO materials or
conversion to judicial protective order is
hereby requested. Failure to comply
with the regulations and terms of an
APO is a sanctionable violation.

This notice of rescission is issued and
published in accordance with sections
751(a)(1) and 777(f)(1) of the Tariff Act of
1930, as amended, and 19 CFR
351.213(d)(4).

Dated: August 4, 2011.
Christian Marsh,
Deputy Assistant Secretary for Antidumping
and Countervailing Duty Operations.
