(g) For hubs and propellers in storage, perform an initial ultrasonic inspection of the rear wall of the rear half of the propeller hub for cracks, before placing in service. Use Appendix A or Appendix D of the applicable Dowty Alert SB listed in Table 1 of this AD to do the inspection.

**Initial Inspection—Previous Credit**

(h) Propeller hubs, P/N 660709201, that previously passed inspection using Dowty Alert SBs listed in Table 1 of this AD or an earlier issue of those SBs, have satisfied the initial inspection requirements of this AD. However, you must comply with the repetitive inspection requirements found in this AD.

**Repetitive Ultrasonic Inspections**

(i) Thereafter, perform a repetitive ultrasonic inspection of the rear wall of the rear half of the propeller hub for cracks within the compliance time specified in Table 1 of this AD. Use Appendix A or Appendix D of the applicable Dowty Alert SB listed in Table 1 of this AD to do the inspection.

**Optional Terminating Action**

(j) As optional terminating action for the repetitive inspections required by this AD, replace propeller hub, P/N 660709201, with a new propeller hub, P/N 660717226.

**Alternative Methods of Compliance (AMOCs)**

(k) The Manager, Boston Certification Office, has the authority to approve AMOCs for this AD if requested using the procedures found in 14 CFR 39.19.

**Export Administration Regulations: Netherlands Antilles, Curacao, Sint Maarten and Timor-Leste**

**AGENCY:** Bureau of Industry and Security, Commerce.

**ACTION:** Final rule.

**SUMMARY:** The Netherlands Antilles dissolved on October 10, 2010. This rule removes the Netherlands Antilles from all places where it is mentioned in the Export Administration Regulations (EAR), e.g., the Commerce Country Chart, the Country Groups, and License Exception APP. Curacao and Sint Maarten (the Dutch two-fifths of the island of Saint Martin) became semi-autonomous entities within the Kingdom of the Netherlands. Therefore, Curacao and Sint Maarten are added to the Commerce Country Chart.

The territories and dependencies of a country are treated as the parent country under the EAR. Bonaire, Saba, and Sint Eustatius now fall under the direct administration of the Netherlands. Therefore, these dependencies are treated like the Netherlands and will not be listed on the Commerce Country Chart.

This rule also revises the name “East Timor” to read “Timor-Leste” throughout the EAR, because this is the proper name of the country.

**DATES:** Effective Date: This rule is effective: September 6, 2011.

SUPPLEMENTARY INFORMATION:

Background

The Netherlands Antilles, consisting of Curacáo, Sint Maarten, Bonaire, Saba, and Sint Eustatius, dissolved on October 10, 2010. Curacáo and Sint Maarten (the Dutch two-fifths of the island of Saint Martin) became semi-autonomous entities within the Kingdom of the Netherlands. Bonaire, Saba, and Sint Eustatius now fall under the direct administration of the Netherlands. In addition, BIS has recognized that the country previously referred to in the Commerce Country Chart as “East Timor” should instead be referred to by its proper name, which is “Timor-Leste.”

Revisions to the Export Administration Regulations (EAR)

This rule corrects the third sentence in Section 738.3 paragraph (b) removing the phrase “territory, possession, or department” and adding in its place “territory, possession, dependency or department” in two places. The Commerce Country Chart (Supplement No. 1 to part 738) generally does not list territories, possessions or departments of countries, because they are treated the same as the parent country for export control purposes. The State Department has a Web site that lists “Dependencies and Areas of Special Sovereignty” at http://www.state.gov/s/inr/rls/10543.htm.

This rule removes the Netherlands Antilles from the Commerce Country Chart (Supplement No. 1 to part 738 of the EAR), because it has dissolved and all the territories and dependencies previously under the Netherlands Antilles, except Curacáo and Sint Maarten (the Dutch two-fifths of the island of Saint Martin), are now treated in the same manner as the parent country—the Netherlands. Curacáo and Sint Maarten (the Dutch two-fifths of the island of Saint Martin) became semi-autonomous entities within the Kingdom of the Netherlands. Therefore, Curacáo and Sint Maarten (the Dutch two-fifths of the island of Saint Martin) are added to the Commerce Country Chart with license requirements (Xs) that are the same as the license requirements were for the Netherlands Antilles. In addition, this rule replaces the country name of “East Timor” with the proper name of “Timor-Leste” in the Commerce Country Chart and moves the resulting row to its appropriate alphabetic location.

This rule also removes the Netherlands Antilles from the list of countries in Computer Tier 1 of License Exception APP in Section 740.7(c)(1). There is no change in eligibility for exports or reexports to Bonaire, Saba, and Sint Eustatius of computers under License Exception APP, because the Netherlands is already in Computer Tier 1. However, there is expanded eligibility for exports and reexports to Bonaire, Saba, and Sint Eustatius of computer technology and software under License Exception APP, because the Netherlands is listed in Section 740.7(c)(3)(i) of License Exception APP. Curacáo and Sint Maarten (the Dutch two-fifths of the island of Saint Martin) are added to Computer Tier 1 of License Exception APP. In addition, this rule replaces the country name of “East Timor” with the proper name of “Timor-Leste” in Section 740.7(c)(1) and moves it to its new alphabetic location in Computer Tier 1.

This rule also makes changes to the Country Groups in Supplement No. 1 to part 740. A country may appear in one or more of the Country Groups, or not at all, depending upon, among other things, its affiliation or membership in a multilateral export control regime. This rule removes the Netherlands Antilles from the list of countries in Country Group B of the Country Groups (Supplement No. 1 to part 740), and adds Curacáo and Sint Maarten (the Dutch two-fifths of the island of Saint Martin) to Country Group B. The Netherlands is listed in Country Group B, and therefore this revision does not alter the export controls or exemptions that apply to Bonaire, Saba, and Sint Eustatius. However, the Netherlands is also listed in Country Group A and therefore all exemptions, e.g., License Exceptions APR and GOV, that apply to the Netherlands now apply to its dependencies, territories and possessions. Additionally, this rule removes “East Timor” and adds in its place “Timor-Leste” in alphabetic order in the list of countries of Country Group B.

This rule revises Supplement No. 2 to part 745 “States Parties to the Convention on the Prohibition of the Development, Production, Stockpiling, and Use of Chemical Weapons and on Their Destruction” by removing “Netherlands Antilles” and adding “Leeward Antilles”. This change will maintain the support document exemption for Aruba, Bonaire and Curacáo, and add a support document exemption for the Venezuelan archipelago. The Leeward Antilles consists of: ABC islands: Aruba (Kingdom of the Netherlands), Bonaire (Kingdom of the Netherlands), Curacáo (Kingdom of the Netherlands), Venezuelan archipelago: Las Aves, Los Roques, La Orchilla, La Blanquilla, Los Hermanos, Los Testigos.

The support documentation exemption for Saba, Sint Eustatius and Sint Maarten will continue as they are part of the Leeward Islands, which is already listed in Section 748.9(a)(1).

Export Administration Act

Since August 21, 2001, the Export Administration Act of 1979, as amended, has been in lapse. However, the President, through Executive Order 13222 of August 17, 2001 (3 CFR, 2001 Comp. 783 (2002)), which has been extended by successive Presidential Notices, the most recent being that of August 12, 2010, 75 FR 50681 (August 16, 2010) has continued the EAR in effect under the International Emergency Economic Powers Act (50 U.S.C. 1701 et seq.).

Rulemaking Requirements

1. Executive Orders 13563 and 12866 direct agencies to assess all costs and benefits of available regulatory alternatives and, if regulation is necessary, to select regulatory approaches that maximize net benefits (including potential economic, environmental, public health and safety effects, distributive impacts, and equity). Executive Order 13563 emphasizes the importance of quantifying both costs and benefits, of reducing costs, of harmonizing rules, and of promoting flexibility. This rule has been designated a “not significant regulatory action,” under section 3(f) of Executive Order 12866.

2. Notwithstanding any other provision of law, no person is required to respond to, nor shall any person be
subject to a penalty for failure to comply with a collection of information, subject to the requirements of Paperwork Reduction Act, unless that collection of information displays a currently valid Office of Management and Budget Control Number. This rule involves three collections of information subject to the PRA. One of the collections has been approved by OMB under control number 0694–0017, “International Import Certificate,” and carries a burden hour estimate of 15 minutes for a manual or electronic submission. The second of the collections has been approved by OMB under control number 0694–0021, “Statement by Ultimate Consignee and Purchaser,” and carries a burden hour estimate of 15 minutes for a manual or electronic submission. The last of the collections has been approved by OMB under control number 0694–0088, “Multi-Purpose Trade Application,” and carries a burden hour estimate of 43.8 minutes for a manual or electronic submission. The second of these collections has been approved by OMB under control number 0694–0021, “Statement by Ultimate Consignee and Purchaser,” and carries a burden hour estimate of 15 minutes for a manual or electronic submission. Send comments regarding these burden estimates or any other aspect of these collections of information, including suggestions for reducing the burden, to OMB Desk Officer, New Executive Office Building, Washington, DC 20503; and to Jasmeet Seehra, OMB Desk Officer, by e-mail at Jasmeet.K_Seehra@omb.eop.gov or by fax to (202) 395–7285; and to the Office of Administration, Bureau of Industry and Security, Department of Commerce, 14th and Pennsylvania Avenue, NW., Room 6622, Washington, DC 20230. This rule does not contain policies with a collection of information, subject to the requirements of Paperwork Reduction Act, unless that collection of information displays a currently valid Office of Management and Budget Control Number.

3. The Department finds that there is good cause under 5 U.S.C. 553(b)(B) to waive the provisions of the Administrative Procedure Act requiring prior notice and the opportunity for public comment because it is unnecessary. The revisions made by this rule are administrative in nature and minimally affect the rights and obligations of the public. Because these revisions are not substantive changes to the EAR, it is unnecessary to provide notice and opportunity for public comment. In addition, the 30-day delay in effectiveness required by 5 U.S.C. 553(d) is not applicable because this rule is not a substantive rule. Notice of proposed rulemaking and opportunity for public comment are not required for this rule under the Administrative Procedure Act or by any other law, and the analytical requirements of the Regulatory Flexibility Act (5 U.S.C. 601 et seq.) are not applicable.
