2011-2012 Refuge-Specific Hunting and Sport Fishing Regulations; Correction

AGENCY: Fish and Wildlife Service, Interior.

ACTION: Final rule; correction.

SUMMARY: We, the Fish and Wildlife Service, published a final rule in the **Federal Register** on September 9, 2011, revising our regulations concerning hunting and sport fishing programs at national wildlife refuges. Inadvertently we made some errors in our amendatory instructions. With this technical correction, we correct those errors.

DATES: Effective September 26, 2011.

FOR FURTHER INFORMATION CONTACT:

Leslie Marler (703) 358-2397.

SUPPLEMENTARY INFORMATION: We published a final rule in the **Federal Register** on September 9, 2011 (76 FR 56054), to finalize our yearly updates to the Code of Federal Regulations (CFR) at 50 CFR part 32 concerning hunting and sport fishing programs at national wildlife refuges. The final rule added refuges to the list of areas open for hunting and/or sport fishing programs, and increased the activities available at other refuges. We also developed pertinent refuge-specific regulations for those activities, and amended certain regulations on other refuges that pertain to migratory game bird hunting, upland game hunting, big game hunting, and sport fishing for the 2011-2012 season. Inadvertently, this final rule contained errors. This document corrects the final regulations by revising 50 CFR part 32.

This document corrects instructions given at amendatory instruction 30f. for Trinity River National Wildlife Refuge in the State of Texas, which printed at page 56086. Amendment 30f. reads, in part: “* * * redesignate * * * C.2 and C.3 as paragraphs C.3 and C.4. * * *.” However, this is an error, because a paragraph “C.4” currently exists in the “Trinity River National Wildlife Refuge” regulations, and that paragraph should have been removed.

PART 32—[AMENDED]

Accordingly, in FR Doc. 2011-22752 appearing on page 56064 in the **Federal Register** of Friday, September 9, 2011, the following correction is made:

§ 32.63 [Amended]

■ On page 56086, in the second column, amendment 30.f amending § 32.63 is corrected to read, “Revising paragraphs B.1., B.2., and B.4. through B.8, adding paragraph B.9., and revising paragraph C.1., redesignating paragraphs C.2. and C.3. as paragraphs C.3. and C.4., adding new paragraph C.2., and removing paragraphs C.4. through C.6. under Trinity River National Wildlife Refuge.”

Dated: September 20, 2011.

Sara Prigan,

Federal Register Liaison.

Technical Amendment; Updates to Titles of Officials, Office Names, and References

AGENCY: National Marine Fisheries Service (NMFS), National Oceanic and Atmospheric Administration (NOAA), Commerce.

ACTION: Final rule; technical amendment.

SUMMARY: This rule provides multiple administrative updates, which pertain to international fisheries and domestic fisheries. Other updates in office names and a fax number are also included.

DATES: Effective September 26, 2011.

FOR FURTHER INFORMATION CONTACT:

MiAe Kim, Trade and Marine Stewardship Division, Office of International Affairs, NMFS (ph. 301-427-8365, fax 301-713-2313, or e-mail mi.ae.kim@noaa.gov).

SUPPLEMENTARY INFORMATION: NMFS is amending its definitions in 50 CFR part 300 to update titles of officials, office names, and addresses to be consistent with the same in part 600. The definition of “Regional Administrator” is removed from § 300.11 because of the revision to the definitions in § 300.2. The definition of “lobster” is also revised in § 300.121 to clarify that *Panulirus argus* can be referred to as “Caribbean spiny lobster” as well as “spiny lobster.” This rule updates reference to the Magnuson-Stevens Fishery Conservation and Management Act from “Magnuson Act” to “Magnuson-Stevens Act.”
