SUPPLEMENTARY INFORMATION: On October 26th, 2011 from 9:00 a.m. to 5:30 p.m. Eastern Standard Time, the Equity and Excellence Commission will hold an open meeting in Washington, DC in room 1W105/108 at the U.S. Department of Education’s main building at 400 Maryland Avenue, SW., Washington, DC 20202.

The purpose of the Commission is to collect information, analyze issues, and obtain broad public input regarding how the Federal government can increase educational opportunity by improving school funding equity. The Commission will also make recommendations for restructuring school finance systems to achieve equity in the distribution of educational resources and further student performance, especially for the students at the lower end of the achievement gap. The Commission will examine the disparities in meaningful educational opportunities that give rise to the achievement gap, with a focus on systems of finance, and recommend appropriate ways in which Federal policies could address such disparities.

The agenda for the Commission’s October 26 meeting will include discussion of particular language for certain portions of the report and reaching consensus on particular recommendations. Due to time constraints, there will not be a public comment period, but, individuals wishing to provide comments may contact the Equity Commission via e-mail at equitycommission@ed.gov. For comments related to the upcoming meeting, please submit comments no later than October 19, 2011.
